   2. IMPORTANT: T his unit is designed to operate with the supplied power adapter.
   3. IMPORTANT: T his unit should only be used with the supplied power adapter.
   4. IMPORTANT: T his unit should only be used with the supplied power adapter.
   5. IMPORTANT: T his unit should only be used with the supplied power adapter.

7. Safety and Handling Information
   1. For maximum product life, do not drop, throw, or crush the headset. Do not expose it to humidity, dust, or operating temperatures outside 32°F to 113°F (0°C to 45°C).
   2. Avoid charging it in temperatures above 113°F (45°C).

8. DANGER
   1. To reduce the risk of electric shock, burns, fire or injury:
   2. Do not use while bathing or in a shower.
   3. Do not place in, drop or submerge in water or other liquid.
   4. Do not reach for a unit that has fallen into water. Unplug it immediately.
   5. Care should be taken so that objects do not fall and liquids are not spilled onto the unit.

9. WARNING
   1. Close supervision is necessary when this appliance is used by or near children or mentally disabled individuals.
   2. Use this unit only for its intended use as described in this manual.
   3. Unplug this unit during lightning storms or when unused for long periods of time.
   4. Never drop or insert an object into any opening.
   5. Protect the power cord from being walked on or pinched, particularly at plug outlets, convenience receptacles and the point where it exits the unit.

12. Set up for charging the battery
    1. Note: Before first use, the battery must be fully charged (3 to 4 hours).
    2. plug the USB adapter into your computer’s USB port or wall outlet.
    3. Red LED will be illuminated when charging. White LED will be off.

13. Pairing Bluetooth devices
    1. Pair your Bluetooth device to the headset when you turn the headset on for the first time.
    2. The headset pairs with devices that use the Bluetooth Hands Free Profile (HFP) and/or the Advanced Audio Distribution Profile (A2DP). HFP enables hands-free communication and the A2DP dictates how audio is streamed from one device to another over a Bluetooth connection.
    3. When you pair devices to the headset, the devices operate according to their property and the replaced item becomes our Audio’s property.

14. Pairing mode
    1. Press and hold the power button (       ) for 4 seconds to start pairing.
