

Monoprice™

Low Profile Tilt TV Wall Mount

Fits TVs 40 in to 90 in, Max Weight 165 lbs. VESA Patterns up to 600×400

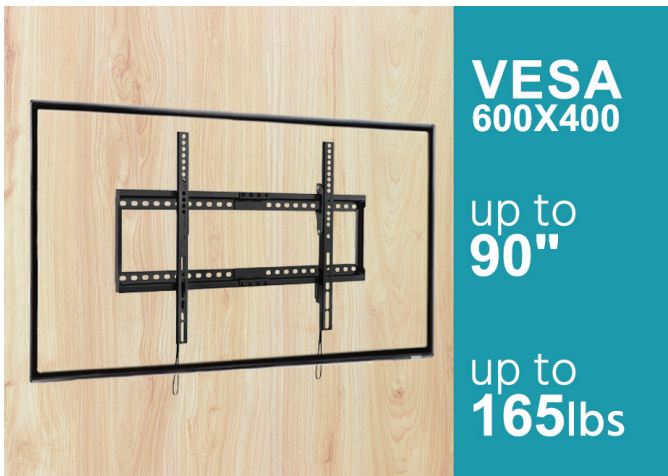

The Monoprice™ Low Profile Tilt TV Wall Mount is designed to accommodate televisions with a VESA® pattern ranging from 150 × 100 to 600 × 400. It's an excellent choice for displays spanning 40" up to 90" in size. Crafted from high-strength, cold-formed steel, this wall mount ensures safe and reliable support for weights of up to 165 lbs.

Monoprice TV mounts undergo rigorous lab testing, doubling their rated weight capacity. In this case, the mount can handle over 300 lbs without damage. Rest assured that your TV is securely mounted.

The Low Profile Tilt TV Wall Mount includes all the essential mounting hardware. Whether installing on brick, concrete, or wood stud walls, you won't need to make unnecessary trips to the local hardware store.

Notable features of this wall mount include a tool-free adjustable tilt function. Able to tilt downward up to 8 degrees, you can effortlessly fine-tune your TV viewing angle. Should you need to reposition the TV or access cables at the back, the spring-tensioned locking lugs come equipped with quick-release pull tabs. These allow you to tilt the TV up and out of the way or simply remove it when necessary.
