

MONOPRICE Multizone Source with Bluetooth® Receiver

Installation Guide

1. Connect all equipment according to the manufacturer's instructions.
2. Press and hold the **Bluetooth®** button on the keypad for about 5 seconds until the blue LED starts to flash, indicating it is in Bluetooth Pairing mode.
3. Open the settings on your mobile device, scan for Bluetooth devices, then select the **MP 13358** entry.
 - The blue LED will glow steadily and an audible chime will sound in the assigned speakers.
 - The keypad will stay in Pairing Mode for about 180 seconds. The keypad will automatically shut off if there is no connected device.
4. To delete the pairing with your mobile device, press and hold the Bluetooth button for about 5 seconds.

NOTE: The 13356 Monoprice Multizone RJ45 to RCA Converter is required for use with the 13358 and is not included.
