SAFETY WARNINGS AND GUIDELINES

Please read this entire instruction manual before you start installation and assembly, paying extra attention to these safety warnings and guidelines. If you have any questions regarding any of the instructions or warnings, please contact your local distributor for assistance. Please keep this manual in a safe place for future reference.

- Use with products heavier than the rated weights indicated may result in instability causing possible injury.
- Mounts must be attached as specified in assembly instructions. Improper installation may result in damage or serious personal injury.
- Safety gear and proper tools must be used. This product should only be installed by professionals.
- Make sure that the supporting surface will safely support the combined weight of the equipment and all attached hardware and components.
- Use the mounting screws provided and DO NOT OVERTIGHTEN mounting screws.
- This product contains small items that could be a choking hazard if swallowed. Keep these items away from children.
- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.
- Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or faulty, telephone your local distributor for a replacement.
- Check that the bracket is secure and safe to use at regular intervals (at least every three months).

INTRODUCTION

Turn any desk or table into an ergonomic sit or stand workstation. The Sit-Stand Single Monitor and Keyboard Workstation Desk Mount promotes better posture, improved ergonomic alignment, and comfortable productivity for a healthy work environment. This height-adjustable workstation supports a single monitor and keyboard, smoothly letting you transition from sitting to standing in one motion. You can also effortlessly raise, lower, pull, push, and adjust both computer peripherals with pneumatic assist for the perfect sitting or standing work position and relaxed viewing. This workstation desk mount is rated for monitors measuring up to 32 inches, making it perfect for any home or office. With the freedom to move back and forth any time you want, this sit-stand workstation will make you experience workplace comfort as never before.
