

WORKSTREAM™

Workstream™ by Monoprice™

Sit-Stand Single Monitor and Keyboard Desk Mount, Up to 32-Inch, Pneumatic Assist, VESA Compatible

Effortless Height Adjustments for Enhanced Comfort and Productivity

Transform your desk into a healthier, more ergonomic workspace with the Workstream™ by Monoprice™ Sit-Stand Single Monitor and Keyboard Workstation Desk Mount. This height-adjustable workstation provides a smooth transition between sitting and standing, promoting better posture, enhanced productivity, and a healthier work environment. Built for home offices and professional workspaces, it supports single monitors measuring up to 32 inches (maximum weight of 17.6 pounds) and keyboards weighing up to 2.2 pounds.

With an effortless gas-spring pneumatic assist, you can raise, lower, tilt, swivel, or pull the monitor and keyboard to the perfect ergonomic position, giving you complete control over your workspace setup. 75x75 and 100x100 VESA® pattern compatibility allows this sit-stand workstation to fit a wide range of monitors, while the $\pm 35^\circ$ tilt and $\pm 90^\circ$ swivel ensure an ideal viewing angle. Crafted from high-grade aluminum and steel, this adjustable workstation is as durable as it is functional.

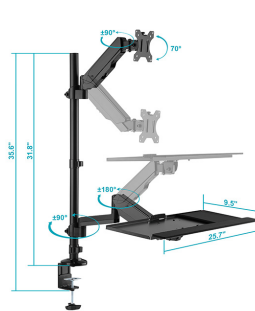

This sit-stand desk mount includes cable management clips to keep your desk neat and clutter-free, with the flexibility of clamp or grommet mounting for quick and easy installation. Upgrade your work-from-home office or business workspace with a premium sit-stand solution that brings lasting comfort, convenience, and organization.

- Promotes ergonomic health by transitioning easily between sitting and standing to enhance posture and reduce discomfort
- Features pneumatic assist for smooth height adjustments with minimal effort
- Supports single monitors up to 32 inches and 17.6 pounds for versatile setups
- Allows tilt of $\pm 35^\circ$ and swivel of $\pm 90^\circ$ for optimal visibility and comfort
- Constructed from high-grade aluminum and steel for durability and stability
- Integrated cable management clips keep cords organized and promote a tidy workspace
- Quick installation options with clamp or grommet mounting for flexible setup
- Compatible with VESA standards, fitting 75x75 and 100x100 VESA® patterns

EFFORTLESS ERGONOMIC ADJUSTABILITY

Achieve a healthier and more comfortable work posture by smoothly transitioning from sitting to standing with pneumatic assist technology, which allows for precise height adjustments with minimal effort.

ENHANCED VIEWING COMFORT

Tilt and swivel your monitor $\pm 35^\circ$ and $\pm 90^\circ$ respectively to find the optimal viewing angle, reducing eye and neck strain and creating a more enjoyable workspace experience.

DURABLE, HIGH-QUALITY CONSTRUCTION

Built with high-grade aluminum and steel, this workstation mount is designed for lasting stability and support, holding monitors up to 32 inches and 17.6 pounds with ease.
