

Monoprice™

Low Profile Tilt TV Wall Mount

Fits TVs 32 in to 70 in, Max Weight 165 lbs. VESA Patterns up to 400 × 400

The Monoprice™ Low Profile Tilt TV Wall Mount is designed to accommodate televisions with a VESA® pattern ranging from 50 × 50 to 400 × 400. It's an excellent choice for displays spanning 32" up to 70" in size. Crafted from high-strength, cold-formed steel, this wall mount ensures safe and reliable support for weights of up to 165 lbs.

Monoprice TV mounts undergo rigorous lab testing, doubling their rated weight capacity. In this case, the mount can handle over 300 lbs without damage. Rest assured that your TV is securely mounted.

The Low Profile Tilt TV Wall Mount includes all the essential mounting hardware. Whether installing on brick, concrete, or wood stud walls, you won't need to make unnecessary trips to the local hardware store.

Notable features of this wall mount include a tool-free adjustable tilt function. Able to tilt downward up to 8 degrees, you can effortlessly fine-tune your TV viewing angle. Should you need to reposition the TV or access cables at the back, the spring-tensioned locking lugs come equipped with quick-release pull tabs. These allow you to tilt the TV up and out of the way or simply remove it when necessary.

- Fits VESA® patterns from 50 × 50 to 400 × 400
- Designed for 32" ~ 70" displays
- Supports up to 165 lbs
- Tool-free adjustable tilt from +0° ~ -8°
- The back of the TV is just 1.5" from the wall
- Spring-tensioned locking lugs with quick-release pull tabs for simple TV removal
- Mounting hardware includes mounting template and bubble level
- Mounts to brick, concrete, or wood stud walls
- Cold-formed, high-strength steel construction

FEATURE POINT

The Monoprice™ Low Profile Tilt TV Wall Mount is compatible with VESA patterns up to 400×400, and supports a maximum weight capacity of 165 lbs, making it perfect for TVs up to 70" in size. Like all Monoprice TV mounts, the Heavy-Duty Tilt TV Wall Mount has undergone rigorous lab testing, holding double its rated weight at over 300 lbs without damage to the mount.

EASY ACCESS DESIGN

The low-profile tilting design positions the TV a mere 1.5" from the wall. The mount features spring-tensioned locking lugs with quick-release pull tabs for effortless TV adjustments. Whether you need to reposition the TV or access cables at the back, a simple tug on the pull tabs enables you to tilt the TV upward and out of the way, or even remove it entirely if needed.
