

Monoprice™
Reverse Nose Decora Plate, White

P/N **18652**
User Manual

SAFETY WARNINGS AND GUIDELINES

Please read this entire manual before using this product, paying extra attention to these safety warnings and guidelines. Please keep this manual in a safe place for future reference.

- This product is intended for indoor use only.
- Do not use this product near water, for example near a bath tub, wash bowl, kitchen sink, laundry tub, in a wet basement, or near a swimming pool.
- This product is designed for use with low-voltage cables only.
- Do not run or pull TV power cords or any other electrical cords inside the wall.
- Running power cords or extension cords behind the wall is a violation of the National Electrical Code (NEC).
- The indicated color may vary slightly in tone or hue between different production runs and manufacturing facilities. As a result, this device’s color may not perfectly match other products, even if labeled with the same color.
- Handle all cables with care to prevent damage. Avoid crimping, pinching, stepping on, or tangling them with other cords. Always route cables securely to eliminate potential tripping hazards.

INTRODUCTION

Use the Reverse Nose Decor Insert to neatly route low-voltage cables behind your HDTV, amplifier, or other audio/video devices. It is designed to be mounted onto a low-voltage mounting bracket (sold separately) that installs directly into the wall.

FEATURES

- Conceals multiple low-voltage cables behind your HDTV for a clean, professional look
- Provides internal cable management, eliminating visible wall connections
- Low-profile design fits behind even the thinnest mounts and TVs
- Securely holds up to 6 cables
- Quick and easy installation—requires only a Phillips head screwdriver
- Mounts flush with a decor-style wall plate
- Compatible with standard low-voltage mounting rings or old work rings
- ETL listed and RoHS compliant

PACKAGE CONTENTS

Please take an inventory of the package contents to ensure you have all the items listed below. If anything is missing or damaged, please contact Monoprice™ Customer Service for a replacement.

- 1x Reverse Nose Decora Plate
- 1x User Manual

IMPORTANT REMINDERS

- Never install low-voltage wiring during lightning storms.
- Never touch uninsulated wires or terminals unless the wire has been disconnected at its network interface.
- Use caution when installing or modifying data or telecommunication lines.
- Do not alter, modify, or disconnect existing telecommunication wires unless you are certain of their purpose and function.
- To prevent electrical interference, it is not recommended to install this product in close proximity to an electrical service panel.

INSTALLATION INSTRUCTIONS

1. Install a low-voltage mounting bracket (sold separately) into the wall before installing the Reverse Nose Decor Insert. Refer to the instructions included with the mounting bracket for guidance.
2. Run the low-voltage A/V cables through the opening in the mounting bracket, then through the opening of the Decor Insert.

3. Place the Decor Insert against the mounting bracket. Using the two (2) included screws, securely fasten the Decor Insert to the bracket.
4. For a clean, finished appearance, install a decor wall plate (sold separately) over the Decor Insert.

CUSTOMER SERVICE

The Monoprice™ Customer Service department is dedicated to ensuring that your ordering, purchasing, and delivery experience is second to none. If you have any problems with your order, please give us an opportunity to make it right. You can contact a Monoprice™ Customer Service representative through the Live Chat link on our website **www.monoprice.com** or via email at **support@monoprice.com**. Check the website for support times and links.

TECHNICAL SUPPORT

Monoprice™ is pleased to provide free, live, online technical support to assist you with any questions you may have about installation, setup, troubleshooting, or product recommendations. If you ever need assistance with your new product, please come online to talk to one of our friendly and knowledgeable Tech Support Associates. Technical support is available through the online chat button on our website **www.monoprice.com** or through email by sending a message to **tech@monoprice.com**. Check the website for support times and links.

To download the latest drivers, firmware, manuals, etc., go to **www.monoprice.com** and type **18652** into the search bar. If available, support files are linked at the bottom of the product page.

DISPOSAL AND RECYCLING INFORMATION

The symbol indicates that this product should be disposed of separately from regular household waste streams. It is your responsibility to dispose of this and other electrical and electronics products via designated collection facilities appointed by the government or local authorities. Correct disposal and recycling will help prevent potential negative consequences to the environment and human health. For more detailed information about the disposal of your unwanted product, please contact your local authorities, waste disposal service, or the shop where you purchased the product.
