

MONOPRICE

Wireless Charger

P/N 27030

Quick Start Guide

INTRODUCTION

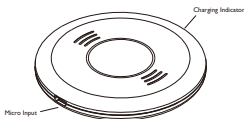

Thank you for purchasing this Wireless Charger! This charger is compatible with smartphones and tablets with a built-in wireless charging receiver, such as the Samsung Galaxy S®6. It is also compatible with devices that have a reserved interface for wireless charging and a receiver is installed. Note that installed receiver must comply with the WPC Qi standard.

PACKAGE CONTENTS

- 1x Wireless charging pad
- 1x Micro USB cable
- 1x Quick start guide

OPERATION

1. Place the charging pad on a flat surface.
2. Plug one end of the included Micro USB cable into the **Micro Input** on the charging pad, then plug the other end into a USB power source (not included), such as a wall charger. The **Charging Indicator** on the charging pad will illuminate red.
3. Place the device on the charging pad. The **Charging Indicator** will change to a "breathing" blue. When the device is fully charged, the **Charging Indicator** will change back to solid red.
