

- Read the entire instruction manual before you start installation and assembly. If you have any questions regarding any of the instructions or warnings, please contact Monoprice Customer Support for assistance.
- CAUTION:** Use with products heavier than the rated weights indicated, may result in instability and possible injury.
- Mounts must be attached as specified in assembly instructions. Improper installation may result in damage or serious personal injury.
 - Safety gear and proper tools must be used. This product should only be installed as shown in the instruction manual.
 - Make sure that the combined supporting surface will safely support the combined weight of the equipment and all attached hardware and components.
 - Use the mounting screws provided and DO NOT over tighten the mounting screws.
 - This product contains small parts that could become a choking hazard if swallowed. Keep these parts away from children.
 - This product is intended for indoor use only. Using this product outdoors could lead to product failure and/or personal injury.
- IMPORTANT:** Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or damaged, contact Monoprice Customer Support.
- MAINTENANCE:** Check that the bracket is secure and safe to use at regular intervals (at least every three months).
