Large Ring Toss Game

P/N 40520

Game Guide

SAFETY WARNINGS AND GUIDELINES

- This product contains small parts that can be a choking hazard for small children.
- This game is not for use by children under the age of 3 and adult supervision is required for all other children.
- While this game and its parts are weather and sunlight resistant, do not leave the game out when not in use. Always place the game in the included storage bag and store it in a cool, dry place when not in use.

PACKAGE CONTENTS

2x Game Boards

5x Rings

5x Pegs

1x Storage Bag

1x Game Guide

SETUP

1. Fit the two game boards together, then insert the pegs into the boards.
2. Designate a Toss Line that players must stand behind when tossing the rings.
3. Place the game board assembly about 10-15 feet from the Toss Line, with the numbers facing the players. The distance can be increased or decreased depending on the age and skill level of the players.

GAMEPLAY

- Ring Toss is a game for 2 or more players or teams.
- Before the game starts, the players should agree on either a score total, that must be reached to win the game, or a number of rounds to play, with the winner being the player or team with the highest score after all rounds have been played.
- Players or teams take turns tossing all five rings at the game board assembly from behind the Toss Line, with the goal of scoring points by looping the rings over the pegs.
- Each peg has a score value, from 5 to 25 points. Points are awarded depending on which pegs the rings occupy.
- If at the end of the designated score or round total 2 or more players or teams are tied, play continues with complete rounds until one player or team is the clear winner.
