

Monoprice™

12-in-1 Triple Display Docking Station

4K HDMI, VGA, 5Gbps USB-A, Gigabit Ethernet, SD/MicroSD Readers, 100W PD Passthrough Charging, 3.5mm Dual Audio/Microphone Jack

The Monoprice™ 12-in-1 Dual-HDMI + VGA Universal Triple Display Dock is a compact yet powerful solution to all workplace setup needs. The device extends just one USB-C (with DP1.4 or DP1.2 mode) or Thunderbolt port into 12 ports, including two 4K HDMI and one 1080p VGA display, 4 high-speed USB-A data ports, Gigabit Ethernet port, simultaneous SD/MicroSD card readers (104Mb/s), 3.5mm 2-in-1 audio/mic port, and a USB-C port for 100W Power Delivery passthrough charging. Just plug in the device to start using it—no driver or special setup is necessary. Compatible with Windows and MacOS systems.

For MacOS, only supports SST Mirror & SST Extend modes (all 3 external monitors have the same display)

For Windows, supports SST & MST modes (all 4 monitors have different displays)

Max resolution for single external display: HDMI 1: 4K@60Hz HDMI 2: 4K@30Hz VGA: 1080p@60Hz

Max resolutions for dual external displays: 4K@30Hz + 1080p@60Hz

Max resolutions for triple external displays: 3x 1080p@60Hz

- All-in-one docking station
- Supports triple external monitor displays
- Supports 4K high-resolution HDMI & 1080p VGA
- Multiple USB-A ports for peripheral devices such as mouse, keyboard, headset, storage drives, etc. & high speed data transfer at 5Gbps
- USB-C ports support fast 100W Power Delivery passthrough charging to power host laptop
- Plug-and-Play
- Compatible with Windows (supports both MST & SST modes) & MacOS (only supports SST modes)

Turn one USB-C port into 12 ports that fulfill all your workstation needs.

TRIPLE HIGH-RESOLUTION DISPLAYS

Connect the laptop to up to 2 HDMI & 1 VGA External Monitors simultaneously.

Specifications

P/N	44466
Upstream Connection	USB Type-C Male (DP1.4 Alt Mode)
Downstream Connections	2x HDMI
	1x VGA
	4x USB-A Data Ports
	1x USB-C Charging Port
	1x RJ45
	1x SD/MicroSD Reader
	1x 3.5mm Dual Audio/Microphone Port
Maximum Video Resolution	HDMI 1: 4K@60Hz
	HDMI 2: 4K@30Hz
	VGA: 1080p@60Hz
	Dual Displays: 4K@30Hz + 1080p@60Hz
	Triple Displays: 3x 1080p@60Hz
USB-Type-A Transfer Speed	2x 5Gbps
	2x 480Mbps
USB Type-C Pass through Charging	100W Power Delivery
Ethernet	Gigabit
SD/MicroSD Card Readers	104MB/S Simultaneous Operation
Audio	3.5mm Dual Audio/Microphone
Packaging Method	Corrugated Box
Dimensions (LxWxH)	4.8" x 2.2" x 0.65"
Weight	0.22 lbs.
