## 27" CrystalPro Productivity Monitor

**3840x2160p (UHD) Maximum Resolution, IPS Panel, PD 65W USB Type-C, Height Adjustable Stand**

Introducing 27in CrystalPro IPS UHD 3840x2160p PD 65W USB Type C Height Adjustable Stand Productivity Monitor by Monoprice. This premium monitor is designed to elevate your productivity with its impressive features and stunning visuals.

Experience the power of ultra-high-definition resolution with 3840x2160p, allowing you to display more content and access information with ease. Whether you're a power data user or a creative professional, this monitor provides crystal-clear visuals that bring your work to life.

Say goodbye to cable clutter with the convenience of power delivery. The monitor offers 65W of power delivery through a USB Type-C cable, allowing you to charge your laptop and minimize cable mess. Use the monitor as a secondary display and extend your workspace for enhanced multitasking capabilities.

Enjoy accurate and vibrant colors with the monitor's impressive color saturation. With sRGB at 100% and DCI-P3 at 95%, you can expect true-to-life image quality and stunning visuals that enhance your viewing experience. Whether you're editing photos, watching videos, or working on graphic design projects, the monitor delivers exceptional color accuracy.

Customize your viewing experience with the height, tilt, and swivel adjustable stand. Find the perfect ergonomic position that suits your needs and enjoy a comfortable and productive workflow. The monitor also features VESA compliance with a mount setting of 100mm x 100mm, allowing you to mount it on a compatible monitor arm or wall mount for added flexibility.

Upgrade your productivity with the Monoprice 27in CrystalPro IPS UHD 3840x2160p PD 65W USB Type C Height Adjustable Stand Productivity Monitor. With its stunning visuals, power delivery capabilities, and ergonomic design, this monitor is the perfect companion for power users, creatives, and professionals who demand the best. Experience enhanced productivity and immersive visuals with this feature-packed monitor.
