

Monoprice™

3-in-1 Wireless Charging Station for iPhone®, Apple Watch®, AirPods®, Bundled with Quick Charge™ 3.0 Wall Charger

Charge all your Devices, Including iPhone®, Apple Watch®, and AirPods®, in one Place with Style and Say Goodbye to Messy Cable Clutter

Charge your Apple® devices faster with the powerful and compact Monoprice® 3-in-1 Wireless Station. Stay organized with dedicated spots to power up your Apple® iPhone, Apple Watch, and AirPods or AirPods Pro simultaneously in one centralized charging station. Quickly charge your connected devices with high-power charging up to 15W. Charge your phone and adjust it either vertically or horizontally, depending on the task at hand: answering a call on FaceTime®, listening to music, watching a movie, or using your iPhone® in the new Nightstand Mode. The Apple Watch® charger is detachable and can be used independently, allowing more flexibility and charging options. The triple-sense LED indicator shows you each device being charged for peace of mind. The compact footprint is less than 4 inches deep—freeing up space on your nightstand, side table, or desk. This charging station doesn't need any complicated setup as it comes ready to use right out of the box with its AC power adapter and USB-C® cable. Compatible with all the latest Apple® iPhone®, Apple Watch®, and AirPods®/AirPods Pro® models that support wireless charging.

- All-in-one charging station for Apple® iPhone, Apple Watch, and AirPods or AirPods Pro to keep your space organized.
- Provide optimal charging power to all connected devices; phone charger provides up to 15W of fast charging.
- Charges your phone vertically or horizontally adapting to whatever works best for you.
- The detachable watch charger allows more flexibility and makes a great travel option.
- Triple-sense LED indicator for each device.
- Bundled with a matching wall adapter & cable for optimal performance and a hassle-free setup.
- Compatible with all the latest Apple® iPhones, Apple Watches, AirPods & AirPods Pro.

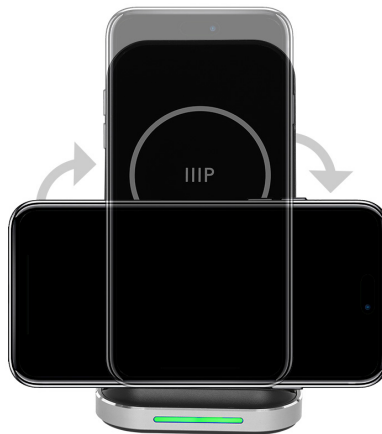

CHARGE AND ORGANIZE YOUR APPLE® DEVICES, ALL IN ONE PLACE

3-in-1 wireless charging station charges your Apple® phone, watch, and AirPods or AirPods Pro simultaneously in one station and helps keep your space organized and decluttered.

COMPACT AND FAST CHARGING

Small footprint provides up to 15W for phone charging.

CHARGE VERTICALLY OR HORIZONTALLY; NO INTERRUPTION OF WHAT YOU'RE DOING

Dual coil design allows phone charging in both vertical and horizontal orientations, so you can continue with what you're doing whether it's making calls, sending messages, listening to music, watching movies, or just putting your phone on Nightstand Mode for the night.

DETACHABLE WATCH CHARGER FOR EVEN MORE FLEXIBILITY

The watch charger can be detached from the charging stand, allowing you to use it separately without being bound to the charging stand; charge your watch anywhere and any way you prefer.

Full Specs

P/N	44836
