

Workstream™ by Monoprice™

Low Profile Dual Monitor Gas Spring Desk Mount - Up to 32"/19.8 lbs Screens, Detachable VESA 100x100/75x75 Plate, 180 Degree Wall Stop, Topside Installation

Transform Your Workspace with Effortless Adjustability and Seamless Organization

The Monoprice Low Profile Dual Monitor Gas Spring Desk Mount transforms your workspace by offering seamless flexibility, durability, and ergonomic comfort. Designed for home offices and professional setups alike, this mount effortlessly holds two monitors up to 32 inches each, helping you declutter your desk and reclaim valuable space. With its gas-spring mechanism, you can easily position your screens for optimal viewing, reducing strain on your neck, shoulders, and eyes, while ensuring smooth, continuous adjustments in height, tilt, swivel, and rotation.

Whether you prefer your monitors in landscape or portrait orientation, the detachable VESA mount plates make installation and setup incredibly easy. Built with high-grade aluminum and steel, this mount provides a robust and secure hold for your monitors, supporting up to 19.8 pounds per display. The flexible 180-degree wall stop and topside installation options ensure that it fits perfectly into any desk configuration. Plus, its built-in cable management system keeps your workspace tidy, allowing you to stay focused and productive.

- Supports monitors up to 32 inches and 19.8 pounds for versatile workspace setups
- Gas-spring arms provide effortless, smooth height and angle adjustments
- Fully adjustable arms offer $\pm 45^\circ$ tilt and swivel, with $\pm 180^\circ$ rotation for portrait or landscape viewing
- Detachable VESA mount plates for easy and quick monitor installation
- Compatible with 75x75 and 100x100 VESA patterns for broad display compatibility
- Constructed with high-grade aluminum and steel for long-lasting durability and strength
- 180-degree wall stop prevents over-rotation, perfect for tight spaces
- Integrated cable management clips keep cords organized and clutter-free

EFFORTLESS MONITOR ADJUSTMENTS FOR ULTIMATE COMFORT

The gas-spring arms allow smooth and easy height, tilt, and swivel adjustments, providing unmatched flexibility. Whether you're seated or standing, you can effortlessly position your screens to reduce neck, shoulder, and eye strain, ensuring long-term ergonomic comfort for any task.

STURDY AND RELIABLE DUAL-SCREEN SUPPORT

Built with high-grade aluminum and steel, this mount provides solid, secure support for dual monitors up to 32 inches and 19.8 lbs each. Its durable construction ensures that your screens stay safely in place, offering peace of mind for both work and play environments.

SEAMLESS INSTALLATION WITH FLEXIBLE MOUNTING OPTIONS

The mount's detachable VESA plates make installing or repositioning your monitors fast and simple. With options for clamp or grommet mounting, and a topside installation process, setting up the perfect dual-screen configuration has never been easier or more adaptable to your workspace.
