

Workstream™ by Monoprice™

Low Profile Single Monitor Gas Spring Desk Mount - Up to 32"/19.8 lbs Screens, Detachable VESA 100x100/75x74 Plate, 180 Degree Wall Stop, Topside Installation

Brilliant, Customizable Lighting for Every Event and Performance

The Monoprice Low Profile Single Monitor Gas Spring Desk Mount offers a sleek and efficient solution for optimizing your workspace. Designed to elevate your monitor off the desk, this mount reduces clutter and frees up valuable space, making it ideal for home or office setups. With a counterbalanced gas-spring arm, adjusting your monitor to the perfect ergonomic position has never been easier. The effortless motion allows for seamless height adjustment, extension, tilt, swivel, and rotation, ensuring comfortable and strain-free viewing. Built to accommodate screens up to 32 inches and weighing up to 19.8 pounds, this desk mount provides the flexibility to support a wide range of monitor sizes. Constructed from high-grade aluminum and steel, it ensures durability and long-lasting performance. The mount features detachable VESA plates for quick setup, while integrated cable management keeps your workspace organized and tidy. Whether you need to switch between landscape and portrait modes or fine-tune your viewing angle, the Monoprice Low Profile Single Monitor Desk Mount is engineered for both convenience and comfort, helping you create a clutter-free, ergonomic workspace.

- Supports monitors up to 32 inches and 19.8 pounds for versatile compatibility
- Counterbalanced gas-spring arm provides smooth, effortless monitor adjustments
- Offers flexible viewing with $\pm 45^\circ$ tilt and swivel for optimal ergonomic positioning
- Rotates $\pm 180^\circ$ for easy switching between landscape and portrait orientations
- Detachable VESA mount plates (75x75 and 100x100) enable quick and easy installation
- Durable construction with high-grade aluminum and steel ensures long-lasting use
- Includes cable management clips to maintain a tidy, clutter-free workspace
- Multiple installation options with both clamp and grommet mounting solutions

EFFORTLESS ADJUSTABILITY FOR PERFECT ERGONOMICS

The gas-spring arm allows you to smoothly adjust the monitor's height, tilt, swivel, and rotation with minimal effort. This feature helps reduce strain on your neck, shoulders, and eyes by enabling you to find the most comfortable viewing angle for long hours of work.

SPACE-SAVING DESIGN WITH CABLE MANAGEMENT

Elevating your monitor off the desk frees up valuable workspace, reducing clutter and providing a more organized environment. The integrated cable management system further enhances cleanliness by keeping cables neatly tucked away for a tidy, professional look.

VERSATILE COMPATIBILITY WITH LARGE MONITORS

This mount supports monitors up to 32 inches and 19.8 pounds, making it suitable for a wide range of display sizes. With adjustable VESA mount plates, installation is quick and easy, ensuring that your monitor is securely positioned exactly where you need it.
