

Monoprice™

8K Certified Ultra High-Speed HDMI® Cable – CL3 Rated, 48Gbps, Dynamic HDR, eARC, VRR, ALLM, Black

Reliable In-Wall HDMI Solution for 8K Home Theater and Gaming Setups

Get the most out of your home theater, gaming setup, or professional AV installation with this CL3-rated, 8K Certified Ultra High-Speed HDMI® Cable. Officially certified by HDMI® Licensing, supports 8K resolution at 60Hz and 4K at 120Hz, delivering stunning clarity, lifelike color, and ultra-smooth motion. With a massive 48Gbps bandwidth, it handles the most demanding video signals, including HDR formats for vibrant contrast and detail, as well as Variable Refresh Rate (VRR) for seamless gaming without screen tearing or stutter.

Designed for safe in-wall installation, the CL3 flame-retardant jacket meets residential building code requirements, making it ideal for clean, professional setups. Premium build quality includes gold-plated connectors and robust shielding for reliable, interference-free performance. Whether you're watching 8K content, playing competitive games at 4K120Hz, or connecting AV equipment for commercial use, this cable ensures uncompromising performance and full compliance with the latest HDMI 2.1 standards.

Lengths: 3, 6, 10, 15, 20, and 25 feet

- Certified ultra high-speed HDMI® performance guarantees full compliance with HDMI 2.1 specifications for reliable, future-proof connectivity
- Supports 8K60Hz and 4K120Hz resolutions for crystal-clear visuals, fluid motion, and lifelike detail in movies, streaming, and gaming
- 48Gbps bandwidth capacity ensures flawless transmission of high-resolution video and immersive, uncompressed multi-channel audio
- Full HDMI 2.1 feature support includes HDR, VRR, eARC, and ALLM for a premium viewing and gaming experience
- CL3 flame-retardant jacket makes this cable safe for in-wall installation, perfect for clean and professional AV setups
- Gold-plated connectors provide corrosion resistance and maintain strong signal integrity over time
- Robust shielding minimizes electromagnetic interference for a clean, uninterrupted connection
- Universal compatibility works seamlessly with TVs, projectors, gaming consoles, AV receivers, and streaming devices

UNCOMPROMISING 8K AND 4K PERFORMANCE

Experience incredible detail and smooth motion with support for 8K at 60Hz and 4K at 120Hz, backed by 48Gbps bandwidth for flawless transmission.

SAFE FOR PROFESSIONAL IN-WALL INSTALLATION

CL3 flame-retardant jacket meets residential building code requirements, ensuring safety and a clean, professional look.

NEXT-GEN HDMI 2.1 FEATURES

Enjoy Dynamic HDR for lifelike contrast, VRR for tear-free gaming, ALLM for low latency, and eARC for lossless audio.

Full Specs

P/N	47884, 47885, 47886, 47887, 47888, 47889
Cable Type	Certified Ultra High-Speed HDMI® Cable
HDMI Version	HDMI 2.1
Bandwidth	Up to 48 Gbps
Resolution Support	Up to 8K@60 Hz, 4K@120 Hz
HDR Support	Dynamic HDR, HDR10, Dolby Vision™
Audio Support	eARC (Enhanced Audio Return Channel), Dolby Atmos®, DTS:X®
Refresh Rate Features	Variable Refresh Rate (VRR), Auto Low Latency Mode (ALLM)
Connector Type	HDMI Type A (Standard), Male-to-Male
Connector Plating	Gold-Plated
Cable Jacket Material	PVC
Jacket Rating	CL3 (In-Wall Rated)
Shielding	Multi-Layer Shielding to Minimize EMI Interference
Compliance	HDMI LA Certified, RoHS Compliant, Proposition 65
Available Lengths	3 ft, 6 ft, 10 ft, 15 ft, 20 ft, 25 ft
Color	Black
