

Monoprice™

4K Certified High-Speed HDMI Cable – VW-1 Rated

Certified 4K Resolution and High-Speed Connectivity for Everyday AV Use

Get reliable, high-performance video and audio with the Monoprice 4K Certified High-Speed HDMI Cable – VW-1 Rated. Designed for everyday use in home theater, office, and AV installations, this cable supports up to 4K60Hz resolution with HDR, delivering crisp visuals and vibrant color across TVs, monitors, and projectors. Officially certified by HDMI® Licensing, it ensures full compliance with HDMI 2.0 specifications and supports advanced features like Audio Return Channel (ARC), 3D video, and Deep Color.

With a bandwidth of up to 18Gbps, this cable is ideal for streaming, gaming, and Blu-ray playback—delivering smooth, lag-free performance for today's entertainment systems. The durable outer jacket is VW-1 flame-rated for added safety, making it suitable for in-wall installations or demanding environments. Whether you're upgrading your home setup or building out a commercial AV solution, this HDMI cable delivers dependable 4K connectivity backed by Monoprice quality.

- Officially Certified High-Speed HDMI® Cable ensures full compliance with HDMI 2.0 specifications.
- Supports 4K60Hz resolution with HDR for sharp images, smooth motion, and vibrant color.
- Provides up to 18Gbps of bandwidth for reliable high-performance video and audio transmission.
- Compatible with Audio Return Channel (ARC), 3D video, Deep Color, and Consumer Electronics Control (CEC).
- VW-1 flame-retardant jacket provides added safety for in-wall and custom AV installation
- Backward compatible with HDMI 1.4 and earlier for use with legacy devices and displays.
- Triple shielding reduces electromagnetic interference for clean, uninterrupted signal quality.
- Ideal for streaming devices, Blu-ray players, game consoles, TVs, projectors, and AV receivers.

**CERTIFIED 4K
PERFORMANCE YOU CAN
TRUST**

Delivers reliable 4K60Hz resolution with HDR and up to 18Gbps bandwidth, fully certified to meet HDMI 2.0 standards for smooth, high-quality video playback.

**SAFE FOR IN-WALL
INSTALLATIONS**

The VW-1 flame-retardant jacket adds a layer of safety, making this cable a solid choice for home theater builds, office setups, and custom AV installations.

**BROAD COMPATIBILITY
WITH ADVANCED
FEATURES**

Supports essential HDMI features like Audio Return Channel (ARC), 3D video, Deep Color, and CEC, ensuring seamless integration with a wide range of modern devices.
