

Monoprice™

4K Certified Premium High-Speed HDMI® Cable – CL3 Rated, 4K60Hz, 18Gbps, HDR

Engineered for 4K UHD Entertainment, High-Performance Gaming, and Professional AV Installations

Upgrade your home theater, gaming setup, or professional AV installation with a Certified Premium High-Speed HDMI® Cable that delivers reliable 4K performance. Supporting resolutions up to 4K at 60Hz, this cable ensures crisp detail, smooth motion, and lifelike color—perfect for streaming, movies, and gaming. With 18Gbps bandwidth, it effortlessly handles HDR content, providing enhanced brightness, contrast, and color depth for a truly immersive viewing experience.

Built with a CL3 flame-retardant jacket, this HDMI cable is safe for in-wall installations and meets residential building code requirements, making it ideal for clean and professional setups. Gold-plated connectors and robust shielding preserve signal integrity and minimize interference, ensuring long-term reliability. Certified by HDMI® Licensing, this cable guarantees full compliance with industry standards, allowing you to connect your 4K TV, projector, AV receiver, gaming console, or streaming device with confidence.

Lengths: 3, 15, 20, 25, and 30 feet

- Certified Premium High-Speed HDMI® performance ensures full compliance with HDMI 2.0 specifications for reliable 4K connectivity
- Supports 4K at 60Hz with HDR for crisp visuals, smooth motion, and lifelike color in movies, streaming, and gaming
- 18Gbps bandwidth capacity delivers flawless transmission of high-resolution video and multi-channel audio
- CL3 flame-retardant jacket provides safety for in-wall installations and meets residential building code requirements
- Gold-plated connectors resist corrosion and maintain stable, long-term signal integrity
- Robust shielding minimizes electromagnetic interference for a clean, uninterrupted connection
- Universal HDMI® compatibility works seamlessly with 4K TVs, projectors, AV receivers, gaming consoles, and streaming devices
- Built for reliability with durable construction designed for consistent performance in home and professional AV setups

RELIABLE 4K ULTRA HD
PERFORMANCE

Certified Premium High-Speed HDMI® compliance guarantees smooth 4K at 60Hz video with HDR for lifelike color, sharp detail, and fluid motion.

SAFE IN-WALL
INSTALLATION

CL3 flame-retardant jacket meets residential building code requirements, giving you confidence in clean and professional AV setups.

ENHANCED SIGNAL
INTEGRITY

Gold-plated connectors and robust shielding maintain stable, interference-free connections for consistent, high-quality performance.

Full Specs

P/N	47897, 47900, 47901, 47902, 47903
Cable Type	Certified Premium High-Speed HDMI® Cable
HDMI Version	HDMI 2.0
Bandwidth	Up to 18 Gbps
Resolution Support	Up to 4K at 60 Hz
HDR Support	HDR, HDR10, Deep Color
Audio Support	Dolby TrueHD®, DTS-HD Master Audio®, Audio Return Channel (ARC)
Connector Type	HDMI Type A (Standard), Male-to-Male
Connector Plating	Gold-Plated
Cable Jacket Material	PVC
Jacket Rating	CL3 (In-Wall Rated)
Shielding	Shielded Design to Minimize EMI Interference
Compliance	HDMI LA Certified, RoHS Compliant, Proposition 65
Available Lengths	3 ft, 15 ft, 20 ft, 25 ft, 30 ft
Color	Black
