

Monoprice™

4-in-1 Wireless Charging Station – Qi2® Certified, Foldable, for iPhone, Apple Watch, AirPods & USB-C® Devices

One Simple Power Solution for All Your Everyday Devices

This Qi2-certified 4-in-1 wireless charging station delivers fast, reliable power for your essential devices in a compact, foldable design. Built on the Qi2 standard with Magnetic Power Profile (MPP), it ensures precise alignment for more consistent and efficient wireless charging, supporting up to 15W for compatible smartphones.

Designed to charge multiple devices simultaneously, it features three dedicated wireless charging pads for smartphones, earbuds, and Apple Watch®, along with a USB-C output that delivers up to 30W for an additional wired device. A USB-C Power Delivery input of up to 60W supplies the power needed to support multiple devices from a single source.

Lightweight and travel-friendly, the foldable design makes it easy to pack, store, and use anywhere. The charging station includes a matching AC power adapter and USB-C cable for a hassle-free setup right out of the box, and supports iPhone® 12–17 series devices, Samsung® Galaxy S25 Ultra/S25+/S25/S26 models (with a Qi2- or MagSafe®-compatible case), AirPods® with wireless charging cases, and Apple Watch Series 1–9, SE, Ultra, and Ultra 2, with fast-charging support for compatible Apple Watch models.

- Qi2-Certified Magnetic Wireless Charging ensures precise alignment using Magnetic Power Profile (MPP) for more consistent and efficient power delivery
- Charge Up to Four Devices at Once with dedicated wireless charging for a smartphone, earbuds, and Apple Watch, plus a USB-C output for an additional wired device
- Up to 15W Wireless Charging for Smartphones provides reliable power for compatible phones without manual alignment
- Dedicated Wireless Charging for Earbuds and Apple Watch delivers up to 5W for earbuds and up to 3W for Apple Watch
- USB-C Power Delivery Input Up to 60W supplies sufficient power to support multiple devices from a single outlet
- USB-C Output Up to 30W adds flexibility for charging tablets, phones, or other USB-C devices
- Foldable, Travel-Friendly Design makes the charging station easy to pack, store, and use at home or on the go
- Ready to Use Out of the Box includes a matching AC power adapter and USB-C cable for a hassle-free setup

QI2 PRECISION CHARGING WITH MAGNETIC ALIGNMENT

Qi2 certification with Magnetic Power Profile (MPP) ensures your smartphone aligns perfectly every time, delivering more consistent wireless charging and reducing the power dropouts common with standard wireless chargers.

TRUE 4-IN-1 CHARGING IN ONE COMPACT STATION

Charge a smartphone, earbuds, and Apple Watch wirelessly at the same time, while using the USB-C output to power a fourth device, keeping all your essentials charged from a single outlet.

HIGH-POWER USB-C ARCHITECTURE

With USB-C Power Delivery input up to 60W and a USB-C output up to 30W, the charging station is built to efficiently distribute power across multiple devices without sacrificing performance.

Full Specs

P/N	48458
Product Type	4-in-1 Wireless Charging Station
Wireless Charging Standard	Qi2-Certified with Magnetic Power Profile (MPP)
Maximum Wireless Output (Phone)	Up to 15 W (Qi2) / 5 W
Wireless Output (Earbuds)	Up to 5 W
Wireless Output (Smartwatch)	Up to 3 W
Wired Charging Terminals	Smartphone, Earbuds, Apple Watch
Wired Charging Output	USB-C
Maximum USB-C Output	Up to 30 W
Maximum Input Power	Up to 60 W (20 V / 3 A)
Simultaneous Charging	Up to 4 Devices
Design	Foldable
Accessories Included	AC Power Adapter, USB-C Charging Cable
Smartphone Compatibility	iPhone 12–17 Series
Additional Smartphone Support	Samsung Galaxy S25 Ultra / S25+ / S25 / S26 (Qi2- or MagSafe-Compatible Case Required), HMD Skyline
Earbud Compatibility	AirPods Pro (1st & 2nd Gen), AirPods with Wireless Charging Case
Smartwatch Compatibility	Apple Watch Series 1–9, SE, Ultra, Ultra 2
Apple Watch Fast Charging	Supported on Series 7–9, Ultra, Ultra 2
Installation	Plug-and-Play
Use Environment	Indoor
Certifications	Qi2

PACKAGE CONTENTS

- 1x 4-in-1 Wireless Charging Station
- 1x 65W PD Charger
- 1x USB-C 2.0 Charging Cable (5 feet)
- 1x User Manual
