THANK YOU FOR PURCHASING THIS PRODUCT

For optimum performance and safety, please read these instructions carefully before assembling, using, or adjusting this product.

SAFETY WARNINGS AND GUIDELINES

Please read this entire instruction manual before you start assembly and installation, paying extra attention to these safety warnings and guidelines. If you have any questions regarding any of the instructions or warnings, contact your local distributor for assistance. Please keep this manual in a safe place for future reference.

- Failure to read, thoroughly understand, and follow all instructions can result in serious personal injury, damage to equipment, or voiding of factory warranty.
- Make sure that the mounting surface will safely support the combined weight of the equipment and all attached hardware and components.
- DO NOT EXCEED THE MAXIMUM LISTED WEIGHT CAPACITY. Use with products heavier than the rated weights indicated may result in instability causing possible injury.
- Always use an assistant or a mechanical lifting device to safely lift and position heavy products.
- Safety gear and proper tools must be used. This product should only be installed by professionals.
- Tighten screws firmly, but DO NOT OVERTIGHTEN. Overtightening can cause product damage that greatly reduces the holding power.
- This product is intended for indoor use only. Using this product outdoors could lead to product failure and personal injury.
- Keep a clear area and distance from moving parts when using the product.
- Use only as intended. Never stand, hang, or climb on the product.
- Do not attempt to modify or reconstruct the product.
- This product may contain small items that could be a choking hazard if swallowed. Keep children away unless the product is intended for their use, and all instructions and manuals are fully reviewed and understood by them.
- Ensure that you have received all parts according to the component checklist prior to installation. If any parts are missing or faulty, contact your place of purchase for a replacement.
- Check that the product is secure and safe to use at regular intervals (at least every three months).

INTRODUCTION

Enhance your installation with the Heavy-Duty Long-Pole Ceiling Mount for Back-to-Back Landscape Displays, a space-saving solution designed for secure overhead mounting in commercial and professional environments.
