THANK YOU FOR PURCHASING THIS PRODUCT

For optimum performance and safety, please read these instructions carefully before connecting, operating, or adjusting this product.

SAFETY WARNINGS AND GUIDELINES

Please read this entire manual before using this device, paying extra attention to these safety warnings and guidelines. Please keep this manual in a safe place for future reference.

- This device is intended for indoor use only.
- Do not expose this device to water or moisture of any kind. Do not place drinks or other containers with moisture on or near the device.
- Do not touch the device or any other connected cables with wet hands.
- Do not expose this device to excessive vibration. Do not subject the product to extreme force, shock, or fluctuations in temperature or humidity.
- Do not expose this device to excessively high temperatures. Do not place it in, on, or near heat sources, such as a fireplace, stove, radiator, etc. Do not leave it in direct sunlight.
- Do not place or install this device in an area where it can be exposed to excessive amounts of dust, humidity, oil, smoke, or combustible vapors.
- Prior to operation, check the unit for physical damage. Do not use if physical damage has occurred.
- Handle all cables with care to prevent damage. Avoid crimping, pinching, stepping on, or tangling them with other cords. Always route cables securely to eliminate potential tripping hazards.
- Never unplug devices by pulling on the cords and cables. Always grasp the connector head or adapter body.
- Clean using a soft, dry cloth only. Do not use chemical cleaners, solvents, or detergents. For stubborn deposits, moisten the cloth with warm water.
- This device has no user-serviceable parts. Do not attempt to open, service, or modify this device.

INTRODUCTION

The Dual USB-C Card Reader enables you to connect SD™ and microSD™ memory cards to a USB-C host device simultaneously, delivering data transfer speeds of up to 312 MB/s with UHS-II support. Featuring a USB 3.0 interface with backward compatibility to USB 2.0, it provides a fast and versatile solution for accessing and managing files from multiple memory cards through a single USB-C connection.

Designed for high performance and broad compatibility, this card reader supports SD, SDHC™, SDXC™, UHS-I, UHS-II, Secure Digital v5.0, DDR200 mode, and MultiMediaCard (MMC™) standards, with storage capacities of up to 2 TB. It allows you to quickly transfer photos, videos, and other large files to USB-C-enabled laptops, tablets, or smartphones, making it ideal for content creation, professional workflows, and everyday file management.

Compact and plug-and-play, the Dual USB-C Card Reader offers a reliable and portable solution for fast data transfer and seamless media access wherever you need it.

FEATURES

- Supports USB 3.0 with backward compatibility to USB 2.0
- Supports SD and microSD card slots for simultaneous operation
- Supports data transfer speeds up to 312 MB/s (UHS-II)
- Supports SD and microSD cards with storage capacities up to 2 TB
- Supports Secure Digital v1.0 / v1.1 / v2.0 / SDHC / SDXC
- Supports Secure Digital v3.01 UHS-I (SDR12 / SDR25 / SDR50 / DDR50 / SDR104)
- Supports Secure Digital v4.0 UHS-II (Full Duplex and Half Duplex modes)
- Supports Secure Digital v5.0

- Supports DDR200 mode to enhance UHS-I performance
- Supports MultiMediaCard (MMC) v3.x / v4.0 / v4.1 / v4.2 with x1 / x4 / x8-bit data bus
- Plug-and-play operation

PACKAGE CONTENTS

Please take an inventory of the package contents to ensure you have all the items listed below. If anything is missing or damaged, please contact Monoprice Customer Service for a replacement.

- 1x Dual USB-C Card Reader
- 1x User Manual

CUSTOMER SERVICE

The Monoprice Customer Service department is dedicated to ensuring that your ordering, purchasing, and delivery experience is second to none. If you have any problems with your order, please give us an opportunity to make it right. You can contact a Monoprice Customer Service representative through the Live Chat link on our website **www.monoprice.com** or via email at **support@monoprice.com**. Check the website for support times and links.

TECHNICAL SUPPORT

Monoprice is pleased to provide free, live, online technical support to assist you with any questions you may have about installation, setup, troubleshooting, or product recommendations. If you ever need assistance with your new product, please come online to talk to one of our friendly and knowledgeable Tech Support Associates. Technical support is available through the online chat button on our website **www.monoprice.com** or through email by sending a message to **tech@monoprice.com**. Check the website for support times and links.

To download the latest drivers, firmware, manuals, etc., go to **www.monoprice.com** and type **49371** into the search bar. If available, support files are linked at the bottom of the product page.

REGULATORY COMPLIANCE

Notice for FCC

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Modifying the equipment without Monoprice's authorization may result in the equipment no longer complying with FCC requirements for Class B digital devices. In that event, your right to use the equipment may be limited by FCC regulations, and you may be required to correct any interference to radio or television communications at your own expense.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Notice for ISED Canada

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

DISPOSAL AND RECYCLING INFORMATION

The symbol indicates that this product should be disposed of separately from regular household waste streams. It is your responsibility to dispose of this and other electrical and electronics products via designated collection facilities appointed by the government or local authorities. Correct disposal and recycling will help prevent potential negative consequences to the environment and human health. For more detailed information about the disposal of your unwanted product, please contact your local authorities, waste disposal service, or the shop where you purchased the product.
