

Stage Right Multimedia Studio Reference Monitor Headphones

P/N 605055

User's Manual

SAFETY WARNINGS AND GUIDELINES

Please read this entire manual before using this device, paying extra attention to these safety warnings and guidelines. Please keep this manual in a safe place for future reference.

- Using headphones at high volume levels for extended periods of time can result in permanent hearing damage.
- Do not use this headphones while operating a motor vehicle, heavy equipment, walking in traffic, or any other situation in which situational awareness is a key to safety.
- It is advised to reduce the volume level of your audio source device to minimum prior to connecting these headphones, then increase volume to a comfortable listening level.
- Do not expose this device to water or moisture of any kind. If water accidentally gets on the headphones, wipe them dry immediately. If the headphones are accidentally submersed, do not use them until they are completely dry.
- Clean using a soft, dry cloth only. Do not use chemical cleaners, solvents, or detergents. For stubborn deposits, moisten the cloth with warm water.
- These headphones have no user serviceable parts. Do not attempt to open, service, or modify these headphones.
- When not in use, store these headphones in a cool, dry place. Do not expose these headphones to direct sunlight or heat sources for extended periods of time.

INTRODUCTION

Thank you for purchasing these Stage Right Multimedia Studio Reference Monitor Headphones! Designed to deliver rich, natural, distortion-free sound, these Stage Right Monitor Headphones are ideal for recording, mixing, mastering, and monitoring. The circumaural (around the ear) design provides -28dB of sound isolation to keep the mix out of sensitive mics. Enjoy powerful, crisp, detailed sound from the latest state-of-the art 53mm neodymium magnet drivers.

FEATURES

- Adjustable, leather-covered stainless steel headband
- Closed-back, circumaural (around the ear) design
- Rotatable ear cups for easy one-ear monitoring
- -28db Acoustic Isolation
- Detachable straight cable
