

Monoprice™

65W Dual-Port USB-C GaN Flat Wall Charger – Ultra-Slim Design with Foldable Plug

Power Up Anywhere with This Ultra-Slim, Travel-Ready Wall Charger

The Monoprice™ 65W Dual-Port USB-C GaN Flat Wall Charger delivers powerful and fast charging for laptops, tablets, and smartphones—all from an ultra-slim design with a foldable plug that fits easily in your pocket or bag. Featuring two USB-C ports and a total output of up to 65 watts, it lets you charge two devices at once without sacrificing speed. With support for Power Delivery 3.0, Programmable Power Supply (PPS) fast charging, and a broad range of USB power protocols, this charger is perfect for everything from your MacBook® and iPad® to your Android™ phone and wireless earbuds. Whether you're traveling for work or powering up at home, it's built to perform with advanced safety features, global voltage compatibility, and high-quality internal components you can trust.

- Provides up to 65W of total power—enough to fast charge a laptop, tablet, and phone
- Dual USB-C ports let you charge two devices at once—ideal for travel, home, or the office
- Supports PPS (Programmable Power Supply) fast charging for compatible phones and tablets
- Built-in safety features include overcurrent, overvoltage, short circuit, and overheating protection with automatic recovery
- Broad 100–240V input range and smart internal chip ensure global voltage compatibility
- Ultra-slim design with a foldable plug for maximum portability and space-saving convenience
- Made from durable, fire-resistant materials with precision internal circuitry for long-lasting reliability

CHARGE TWO DEVICES AT ONCE

Dual USB-C ports let you charge two devices simultaneously without slowing down, making multitasking effortless.

FAST CHARGING POWER, UP TO 65W

Charge your laptop, tablet, or smartphone with up to 65 watts of total output—plenty of power for work or travel.

ULTRA-SLIM PROFILE WITH FOLDABLE PLUG

Designed for portability, the ultra-slim body and folding plug make this charger perfect for tight spaces and easy to pack—no bulging in your bag or pocket.
