

Monoprice™

11-in-1 USB-C® Triple 4K60 Display Docking Station with DP 1.4 Alt Mode Support

Effortlessly Boost Your Workflow with Triple Display Connectivity, Lightning-Fast 10Gbps Data Transfers, Reliable Gigabit Ethernet, Dual Card Readers for Easy Media Access, and Powerful Charging Capabilities—All Designed to Deliver Seamless Productivity

Discover the power and versatility of the Monoprice 11-in-1 USB-C Triple-Display Docking Station, designed to transform your workstation into a hub of productivity and connectivity. This advanced docking station is perfect for modern professionals and tech enthusiasts who demand seamless multitasking, offering triple video output with support for DisplayPort® 1.4 Alt Mode and MST (Multi-Stream Transport). Effortlessly extend your display across three monitors—two via HDMI® and one via DisplayPort—making it perfect for design, analytics, gaming, and business applications.

Connectivity is never compromised, thanks to the docking station's comprehensive suite of ports, including two high-speed USB-A ports and one USB-C port (all supporting 10Gbps transfer rates), Gigabit Ethernet for reliable wired networking, SD™ and microSD™ card slots for quick media access, and a 3.5mm audio jack for high-quality sound. The robust DC power input delivers up to 134W, ensuring your devices stay charged and ready for action, while built-in security lock slots keep your setup secure.

Engineered for compatibility with USB-C and Thunderbolt™ devices that support DP Alt Mode, this dock ensures smooth performance for both Windows® and Mac® users. With support for HDR video, multiple color formats, and high-resolution displays up to 4K, your visuals shine with vivid clarity. Additional features like Wake-on-LAN, dual card slot operation, and downstream charging further enhance productivity. The Monoprice 11-in-1 Docking Station is your all-in-one solution for expanding workspace capabilities—simply connect and experience exceptional convenience and performance.

- Supports triple video output (two HDMI ports and one DisplayPort) with DisplayPort 1.4 Alt Mode and MST for simultaneous multi-display extension
- Compatible with USB-C and Thunderbolt devices that support DP Alt Mode, ensuring wide usability across laptops and PCs
- High-speed data transfer with two USB-A Gen 2 ports and one USB-C Gen 2 port, each capable of 10Gbps rates
- Gigabit Ethernet port provides reliable wired networking and supports Wake-on-LAN for remote device activation
- SD and microSD card slots allow simultaneous operation and fast file transfers up to 104MB/s
- 3.5mm audio jack supports digital audio with high sampling rates up to 96kHz / 24-bit for premium sound quality
- Robust DC power input supports up to 134W, with up to 100W power delivery to the host device
- Supports HDR video, multiple color formats (RGB, YCbCr), and high-resolution displays up to 4K for vivid visuals
- Includes both standard and nano security lock slots for enhanced device security
- Built-in downstream charging and protection features (short-circuit, overcurrent) for connected devices

UNIVERSAL COMPATIBILITY

Works flawlessly with USB-C and Thunderbolt devices that support DP Alt Mode, ensuring versatility across various laptops and PCs.

HIGH-RESOLUTION OUTPUT

Flexible HDMI and DisplayPort outputs deliver vivid 4K visual quality for crisp, detailed images and videos.

ULTRA-FAST DATA TRANSFER

Achieve blazing speeds up to 10Gbps with dedicated USB-A and USB-C Gen 2 ports for quick file sharing and device syncing.

Full Specs

P/N	47528
Inputs	1x USB-C
	1x RJ45 Ethernet Port (1 Gbps)
	1x DC Jack (for PD charging up to 100 W)
Outputs	2x HDMI (4K @ 60Hz single port or 4K @ 30Hz dual port)
	1x DisplayPort (up to 3840 x 2160 @ 60Hz)
	1x USB-C Gen 2 (10 Gbps)
	2x USB-A Gen 2 (10 Gbps)
	1x SD Slot
	1x microSD Slot
Resolution	1x 3.5 mm Audio Port (up to 48 kHz sampling rate)
	Supports one port up to 4K @ 60Hz
	Supports dual 4K @ 30Hz simultaneously under MST
Operating Temperature	Supports 4K @ 30Hz + 1080p @ 60Hz x 2 simultaneously under MST
	32 °F – 113 °F / 0 °C – 45 °C
	Storage Temperature
Storage Temperature	14 °F – 158 °F / -10 °C – 70 °C
Operating Humidity	10–85% RH (no condensation)
Storage Humidity	5–90% RH (no condensation)
DC Power Input	DC 134 W, Max 100 W to Host
Dimensions (L x W x H)	7.1" x 3.1" x 0.9" (180 x 80 x 22.5 mm)
Weight	9.9 oz (282 g)
Packaging Method	Corrugated Box

PACKAGE CONTENTS

- 1x Monoprice™ 11-in-1 USB-C® Triple 4K60 Display Docking Station with DP 1.4 Alt Mode Support
- 1x USB-C Cable (10Gbps, 5A)
- 1x 134W Power Supply
- 1x AC Power Cable
- 1x User Manual
