

Monoprice™

12-in-1 USB-C® Triple Display Wedge-Style Docking Station with DP 1.4 Alt Mode Support

Boost Your Productivity with the Monoprice 12-in-1 USB-C Dock: Triple-Display Support, Ultra-Fast Data, 100W PD Charging, Gigabit Ethernet, SD/microSD Slots, and a Sleek Wedge Design That Doubles as a Laptop Stand

Introducing the Monoprice 12-in-1 USB-C Triple-Display Docking Station—your all-in-one connectivity solution designed to elevate productivity and streamline any modern workspace. With its sleek wedge form factor, this innovative dock not only saves space but also doubles as a stable laptop stand, making it ideal for both desktop and mobile setups. Compatible with virtually all USB-C and Thunderbolt™ laptops, PCs, and select mobile devices, it transforms a single USB-C port into a versatile powerhouse of connectivity.

Experience true multitasking with support for triple-display output through a combination of two HDMI® ports and one DisplayPort®, supporting resolutions up to 8K on DisplayPort and up to 4K on each HDMI port. Integrated DP 1.4 Alt Mode and MST/SST capabilities enable multiple independent displays on Windows® or mirrored screens on macOS®, ensuring seamless presentations, immersive multitasking, and smooth, high-quality video performance.

This docking station offers an impressive array of ports, including three high-speed USB-A data ports, one USB-C Gen 2 port, an RJ45 Gigabit Ethernet port for reliable network access, simultaneous SD™ and microSD™ card slots for convenient file transfers, and a 3.5mm audio jack for clear sound output. The USB-C Power Delivery charging port supplies up to 100W to keep your device powered throughout demanding workdays, while advanced features such as Fast Role Swap and a built-in security lock slot provide added convenience and peace of mind.

Whether in the office, at home, or on the go, the Monoprice 12-in-1 Docking Station simplifies digital workflows, maximizes efficiency, and delivers a clean, organized workspace tailored for today's dynamic professionals.
