

Monoprice™

USB4 40 Gbps Cable – 240 W EPR, 8K HDR, USB-IF Certified, Braided, Ultra High-Speed, 1.5FT, Navy

The Ultimate Cable for Power Delivery, Ultra HD Display, and High-Speed Data

Unlock next-generation connectivity with the Monoprice™ USB4 40 Gbps Cable, engineered for speed, power, and reliability. With full support for USB Power Delivery 3.1 and Extended Power Range (EPR), this cable delivers up to 240 W of fast charging—ideal for high-powered laptops, docking stations, and mobile devices. Capable of transferring data at speeds up to 40 Gbps, it is perfect for handling large files, high-resolution media, and real-time data transfers. Designed to support 8K HDR video output, it enables ultra-sharp visuals and seamless performance across monitors, displays, and AV equipment.

Built with a durable braided jacket and certified by USB-IF, this USB4 cable ensures long-lasting performance and compliance with the latest industry standards. It is backward compatible with Thunderbolt 3 and 4, USB-C 3.2, and USB 2.0, making it a universal solution for everything from creative workflows to high-end gaming setups. Whether you're charging, transferring, or displaying—this ultra high-speed cable delivers peak performance with dependable flexibility.

- Supports blazing-fast 40 Gbps data transfer for large files, high-resolution media, and real-time performance
- Delivers up to 240 W of charging power with USB Power Delivery 3.1 and Extended Power Range (EPR)
- Enables ultra-crisp 8K HDR video output for high-performance displays and advanced AV setups
- USB-IF certified to ensure compliance, safety, and reliable performance across all supported devices
- Braided cable jacket offers superior durability, flexibility, and tangle resistance for daily use
- Backward compatible with Thunderbolt 3 and 4, USB 3.2, USB 2.0, and DisplayPort Alt Mode devices
- Ideal for laptops, tablets, docking stations, external drives, and high-speed hubs
- Precision-engineered USB-C connectors ensure stable connections and long-term durability

FULL-SPEED 40 GBPS DATA TRANSFER

Move massive files, stream uncompressed media, and connect high-speed peripherals with next-gen USB4 performance.

240 W EPR FAST CHARGING

Supports USB Power Delivery 3.1 with Extended Power Range for ultra-fast charging of laptops, docking stations, and mobile devices.

DURABLE, BRAIDED DESIGN WITH USB-IF CERTIFICATION

Built for everyday use with a rugged braided jacket and certified to meet the highest industry standards for performance and safety.

Full Specs

P/N	47669
Cable Type	USB4 Cable
Connector Type	USB-C to USB-C
Data Transfer Rate	Up to 40 Gbps
Power Delivery Support	Up to 240 W (USB PD 3.1 EPR)
Video Support	Up to 8K HDR (with DisplayPort Alt Mode)
Cable Jacket Material	Braided Nylon
Certification	USB-IF
Compatibility	USB4, Thunderbolt 3 and 4, USB 3.2, USB 2.0
Connector Plating	Nickel-plated
Available Lengths	1.5 ft
Color Options	Navy
Use Case	High-speed charging, data transfer, and 8K video output

PACKAGE CONTENTS

1x Monoprice™ USB4 40 Gbps Cable – 240 W EPR, 8K HDR, USB-IF Certified, Braided, Ultra High-Speed, 1.5ft, Navy
