2-Gang Recessed Low Voltage Cable Plate

Recessed Low Voltage Cable Plates are used to install low voltage cables behind your flat panel TV, your amplifier or other audio and video devices. These plates are designed to be used with 1-gang, 2-gang and 3-gang low voltage mounting brackets.

- Low profile fits behind the industry's thinnest mounts and TV's
- Conceal low voltage cables behind wall mounted displays
- Ideal for passing HDMI and other A/V cables inside the wall from your display to your A/V equipment
- Mounts to a standard low voltage mounting bracket
