

Monoprice™

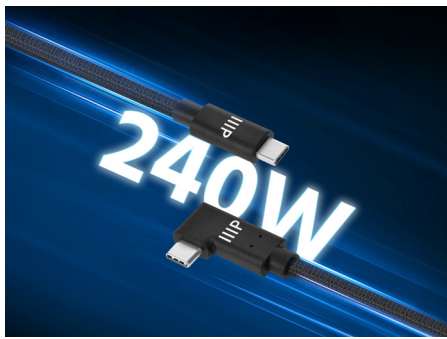

USB4 20Gbps Cable 240W EPR, 4K60Hz, Braided, Ultra High-Speed, Right-Angle Connector (2-Pack)

Charge, Transfer, and Display with a Space-Saving USB4 Design

The Monoprice USB4 20Gbps Cable with Right-Angle Connector is the perfect combination of power, speed, and space-saving design. Engineered for high-performance charging and data transfer, this cable supports up to 240W of power delivery with USB PD 3.1 Extended Power Range (EPR), making it ideal for charging laptops, tablets, and other power-hungry USB-C devices. With data transfer speeds up to 20Gbps, it's ready for fast file syncing, peripheral connectivity, and everyday workflows. It also supports video output up to 4K60Hz, making it a versatile solution for single-cable setups that handle both power and display.

The 90-degree right-angle USB-C connector is designed to reduce strain and fit easily into tight spaces, whether behind a desk, docking station, or handheld device. Wrapped in a durable braided jacket, this cable offers long-lasting flexibility and resistance to everyday wear. Whether you're managing cables in a compact workspace or need a rugged charging solution for travel, this USB4 cable delivers high-speed performance with smart, user-friendly design.

- Supports USB4 data transfer speeds up to 20Gbps for fast file transfers and peripheral connectivity
- Delivers up to 240W charging power with USB Power Delivery 3.1 and Extended Power Range (EPR)
- Supports video output up to 4K60Hz via DisplayPort Alt Mode for streamlined power and display setups
- Right-angle USB-C connector reduces strain and fits easily into tight spaces and compact devices
- Durable braided jacket provides flexibility, tangle resistance, and long-lasting protection
- Ideal for laptops, docking stations, gaming devices, and charging hubs
- Fully compatible with USB4, Thunderbolt 3 & 4, USB 3.2, and USB-C devices
- Precision-molded USB-C connectors ensure secure connections and stable signal integrity

240W FAST CHARGING WITH USB PD 3.1

Power your laptop, tablet, or phone at full speed with Extended Power Range support up to 240 watts.

RIGHT-ANGLE CONNECTOR FOR TIGHT SPACES

Ideal for clean cable routing behind desks, docking stations, or mobile setups where space is limited.

20GBPS USB4 PERFORMANCE

Transfer large files, sync devices, and connect high-speed peripherals with fast, reliable USB4 bandwidth.

Full Specs

PN	48856, 48857
Cable Type	USB4 Cable
Connector Type	USB-C to USB-C (Right-Angle on One End)
Data Transfer Rate	Up to 20 Gbps
Power Delivery Support	Up to 240 W (USB PD 3.1 EPR)
Video Support	Up to 4K60 Hz (DisplayPort Alt Mode)
Cable Jacket Material	Braided Nylon
Compatibility	USB4, Thunderbolt 3 & 4, USB 3.2, USB 2.0, USB-C Devices
Connector Plating	Nickel-plated
Available Lengths	3 ft, 6 ft
Color Options	Black
Use Case	High-speed charging, data transfer, and 4K video output in tight setups
Pack size	2

PACKAGE CONTENTS

2x USB4 20Gbps Cable 240W EPR, 4K60Hz, Braided, Ultra High-Speed, Right-Angle Connector
