

Monoprice™

USB4 20Gbps 2-in-1 Cable 240W EPR, 4K60Hz, Braided, Ultra High-Speed (2-Pack)

Powerful 2-in-1 Connectivity for High-Performance USB-C Workflows

Simplify your setup with the Monoprice USB4 20Gbps 2-in-1 Cable, designed to handle both high-speed charging and data transmission in a single, powerful connection. Supporting USB Power Delivery 3.1 with Extended Power Range (EPR), this cable delivers up to 240W of charging power—ideal for USB-C laptops, tablets, and other power-intensive devices. With support for data transfer speeds up to 20Gbps, it also enables quick file transfers, peripheral connectivity, and fast device syncing. Built to support up to 4K@60Hz video output via DisplayPort Alt Mode, this 2-in-1 cable streamlines both your power and display needs with a single cable.

Wrapped in a durable braided jacket for added strength and flexibility, this cable is built for everyday reliability. It's compatible with USB4, Thunderbolt 3 and 4, and a wide range of USB-C devices, making it the perfect all-in-one solution for charging, transferring data, and displaying video—whether at your desk, on the road, or in the studio.
