

Monoprice™

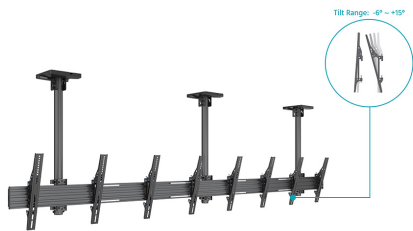

Commercial Series 4×1 TV Ceiling Mount for Landscape Display Menu Boards, Fits 32" to 65" TVs with Adjustable Tilt

The Monoprice Commercial Series 4×1 TV Ceiling Mount is designed for professional menu board and digital signage installations using four landscape oriented displays. It supports 32" to 65" TVs, provides adjustable tilt for improved viewing angles, and offers an extended ceiling drop range for high ceiling commercial environments. This mount consolidates four displays onto a single ceiling drop for clean alignment, reduced installation complexity, and consistent presentation across screens.

FOUR LANDSCAPE DISPLAYS FROM ONE CEILING DROP

The mount uses a horizontal rail system engineered for a 4×1 landscape configuration, supporting four displays from a single ceiling pole assembly. This configuration is intended for commercial menu boards and information displays where uniform spacing and alignment are required.

ADJUSTABLE TILT FOR IMPROVED READABILITY

Each display interface supports fixed tilt positions up to 15°, allowing installers to optimize viewing angles based on ceiling height, screen size, and viewer position.

EXTENDED CEILING DROP FOR COMMERCIAL INSTALLATIONS

The ceiling pole provides an adjustable vertical drop from 800 mm (31.5 in) minimum to 5010 mm (197.2 in) maximum, supporting a wide range of ceiling heights without custom fabrication.

COMMERCIAL GRADE STEEL CONSTRUCTION

The mount is constructed from steel and includes concrete anchors and lag bolts for permanent installation. It is intended for indoor use only and must be installed by qualified professionals.

Full Specs

Mount Configuration	4x1 ceiling mount
Display Orientation	Landscape
Supported Screen Size	32"– 65"
Tilt Adjustment	Up to 15°
Minimum Ceiling Drop	800 mm (31.5 in)
Maximum Ceiling Drop	5010 mm (197.2 in)
Horizontal Rail Width	~1000 mm (39.4 in)
Construction Material	Steel
Installation Type	Ceiling
Indoor / Outdoor	Indoor only
Regulatory Compliance	RoHS, REACH, TSCA 6(h), Prop 65, EU POP
Gross Weight	70 lb (31.8 kg)
Country of Origin	China

PACKAGE CONTENTS

- Ceiling pole sections
- Horizontal display rail
- Four display mounting brackets
- Concrete anchors and lag bolts
- Assorted M5, M6, and M8 fasteners
- Hardware Installation Pack
- Printed user manual
