

Monoprice™

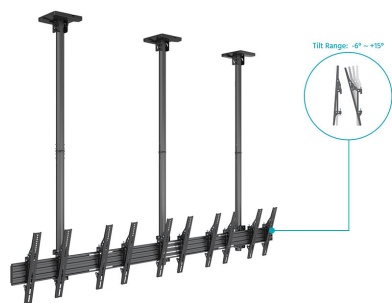

Commercial Series 5×1 TV Ceiling Mount for Portrait Display Menu Boards, Fits 32" to 65" TVs with Adjustable Tilt

The Monoprice Commercial Series 5×1 TV Ceiling Mount (P/N 49337) is designed for professional digital signage and menu board installations that require five portrait oriented displays in a single vertical column. It supports 32" to 65" TVs, offers adjustable tilt for improved readability, and mounts all displays from a single ceiling drop for clean, space efficient installations. This mount is ideal for high content menu boards where vertical screen stacking maximizes information density without increasing wall or ceiling clutter.

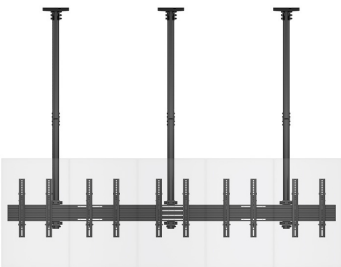

FIVE PORTRAIT DISPLAYS FROM ONE CEILING DROP

The mount uses a vertical rail system engineered for a 5×1 portrait configuration, supporting five displays from a single ceiling pole assembly. This design reduces ceiling penetration while maintaining consistent spacing and alignment across all screens.

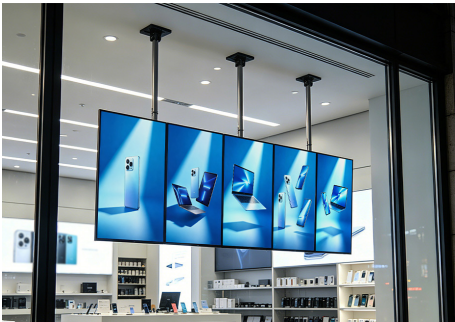

ADJUSTABLE TILT FOR OVERHEAD READABILITY

Each display interface supports fixed tilt positions up to 15°, allowing installers to optimize viewing angles based on ceiling height and audience distance.

PORTRAIT ORIENTATION SUPPORT

The mount supports 90° portrait orientation, ensuring secure alignment for vertically mounted displays commonly used in menu boards and information kiosks.

EXTENDED VERTICAL RAIL FOR TALL MENU BOARDS

The vertical rail assembly accommodates five displays in a single column, with a total rail height of approximately 4010mm (157.9in). Ceiling drop adjustment ranges from 580mm (22.8 in) minimum to 1550mm (61.0in) maximum, making it suitable for standard commercial ceiling heights.

Full Specs

Mount Configuration	5x1 ceiling mount
Display Orientation	Portrait
Supported Screen Size	32"– 65"
Tilt Adjustment	Up to 15°
Rotation Support	90° portrait
Minimum Ceiling Drop	580 mm (22.8 in)
Maximum Ceiling Drop	1550 mm (61.0 in)
Vertical Rail Height	~4010 mm (157.9 in)
Construction Material	Steel
Installation Type	Ceiling
Indoor / Outdoor	Indoor only
Regulatory Compliance	RoHS, REACH, TSCA 6(h), Prop 65, EU POP
Gross Weight	79.8 lb (36.2 kg)
Country of Origin	China

PACKAGE CONTENTS

- Ceiling pole sections
- Vertical display rail (5 screen configuration)
- Five display mounting brackets
- Concrete anchors and lag bolts
- Assorted M5, M6, and M8 fasteners
- Hardware Installation Pack
- Printed user manual
