

Monoprice™

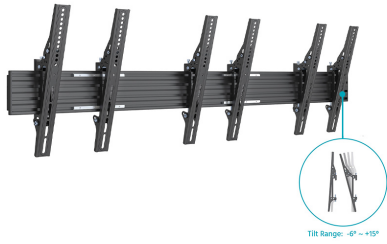

Commercial Series 3×1 TV Wall Mount for Portrait Display Menu Boards, Fits 32" to 65" TVs with Adjustable Tilt

The Monoprice Commercial Series 3×1 TV Wall Mount is designed for professional menu board and digital signage installations using three portrait oriented displays mounted directly to the wall. It supports 32" to 65" TVs, provides adjustable tilt for improved readability, and delivers a compact, low profile alternative to ceiling mounted menu board systems. This mount is ideal for locations where ceiling mounting is not feasible and a clean, wall mounted vertical menu layout is preferred.

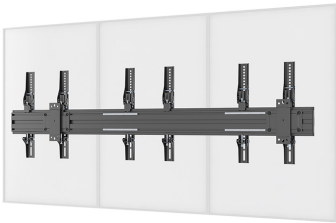

THREE PORTRAIT DISPLAYS IN A VERTICAL WALL LAYOUT

The mount is engineered for a 3×1 portrait configuration, stacking three displays in a single vertical column using a wall mounted rail system. This configuration eliminates ceiling drops while maintaining consistent spacing and alignment across screens.

ADJUSTABLE TILT FOR IMPROVED READABILITY

Each display interface supports fixed tilt positions up to 15°, allowing installers to optimise viewing angles based on mounting height and viewer distance.

WALL MOUNTED DESIGN FOR LOW PROFILE INSTALLATIONS

Unlike ceiling mounted menu board systems, this model mounts directly to a load bearing wall using lag bolts and anchors. The wall mount design reduces visual clutter and simplifies installation in spaces with low ceilings or architectural constraints.

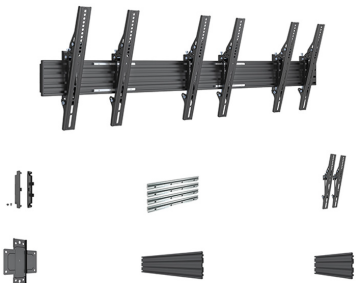

PORTRAIT ORIENTATION SUPPORT

The mount supports 90° portrait orientation, ensuring secure alignment for vertically mounted displays commonly used in menu boards and information displays.

Full Specs

Mount Configuration	3×1 wall mount
Display Orientation	Portrait
Supported Screen Size	32"–65"
Tilt Adjustment	Up to 15°
Rotation Support	90° portrait
Mounting Location	Wall
Rail Length	~1045 mm (41.1 in)
Construction Material	Steel
Installation Type	Wall mount
Indoor / Outdoor	Indoor only
Regulatory Compliance	RoHS, REACH, TSCA 6(h), Prop 65, EU POP
Gross Weight	27.5 lb (12.5 kg)
Country of Origin	China

PACKAGE CONTENTS

- Vertical wall mount rail
- Three display mounting brackets
- Wall anchors and lag bolts
- Assorted M5, M6, and M8 fasteners
- Hardware Installation Pack
- Printed user manual
