

Monoprice™

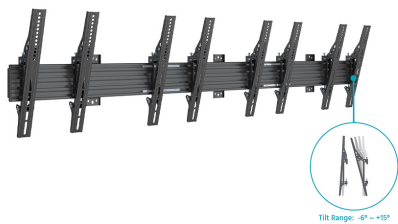

Commercial Series 4×1 TV Wall Mount for Portrait Display Menu Boards, Fits 32" to 65" TVs with Adjustable Tilt

The Monoprice Commercial Series 4×1 TV Wall Mount is designed for professional menu board and digital signage installations using four portrait oriented displays mounted directly to a wall. It supports 32" to 65" TVs, provides adjustable tilt for improved readability, and delivers a clean, wall mounted alternative to ceiling based menu board systems. This mount is ideal for applications that require additional screen capacity over a 3×1 layout while maintaining a compact, low profile wall installation.

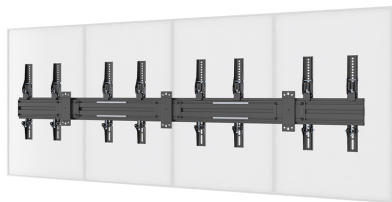

FOUR PORTRAIT DISPLAYS IN A VERTICAL WALL LAYOUT

The mount is engineered for a 4×1 portrait configuration, stacking four displays in a single vertical column using a wall mounted rail system. This design increases content capacity compared to a 3×1 wall mount while preserving consistent spacing and alignment.

ADJUSTABLE TILT FOR IMPROVED VIEWING ANGLES

Each display interface supports fixed tilt positions up to 15°, allowing installers to optimize viewing angles based on mounting height and viewer distance.

WALL MOUNTED DESIGN WITH NO CEILING DROP

This model mounts directly to a load bearing wall using lag bolts and anchors, eliminating the need for ceiling poles. The wall mount design reduces visual clutter and simplifies installation in spaces with low ceilings or architectural constraints.

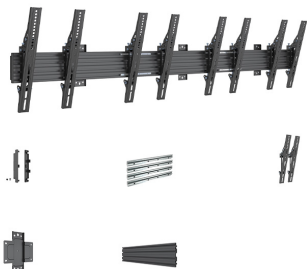

PORTRAIT ORIENTATION SUPPORT

The mount supports 90° portrait orientation, ensuring secure alignment for vertically mounted displays commonly used in menu boards and information displays.

Full Specs

Mount Configuration	4×1 wall mount
Display Orientation	Portrait
Supported Screen Size	32"– 65"
Tilt Adjustment	Up to 15°
Rotation Support	90° portrait
Mounting Location	Wall
Rail Length	~1045 mm (41.1 in)
Construction Material	Steel
Installation Type	Wall mount
Indoor / Outdoor	Indoor only
Regulatory Compliance	RoHS, REACH, TSCA 6(h), Prop 65, EU POP
Gross Weight	35.5 lb (16.1 kg)
Country of Origin	China

PACKAGE CONTENTS

- Vertical wall mount rail (4 screen configuration)
- Four display mounting brackets
- Wall anchors and lag bolts
- Assorted M5, M6, and M8 fasteners
- Hardware Installation pack
- Printed user manual
