

Monoprice™

Commercial Series Floor to Ceiling TV Mount for Back to Back Menu Board Displays & Order Kiosks, Fits 32" to 75" TVs

The Monoprice Commercial Series Floor to Ceiling Back to Back TV is designed for commercial menu boards and order kiosks that require two displays mounted back to back on a single vertical column. It supports 32" to 75" TVs, anchors securely between the floor and ceiling, and enables content visibility in two opposing directions without wall construction. This mount is ideal for kiosks, queue dividers, and central installations where displays must face customers on both sides.

BACK TO BACK DISPLAY CONFIGURATION

The mount supports dual displays installed back to back, allowing two TVs to share one floor to ceiling support column. This configuration is suited for order kiosks, central menu boards, and locations with foot traffic on both sides.

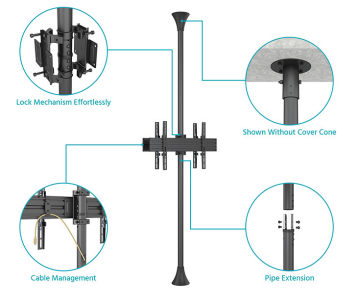

FLOOR TO CEILING INSTALLATION WITHOUT WALL MOUNTING

The mount uses a floor to ceiling compression design, transferring load vertically between structural surfaces. This enables installation in glass front spaces, tiled environments, or locations where wall penetration is restricted.

SUPPORTS LARGE DISPLAYS WITH BALANCED LOAD

Supports 32" to 75" TVs with a maximum load capacity of 77 lb (35 kg) per screen. Compatible with VESA mounting patterns from 100×100 to 400×400 mm, covering most commercial flat panel displays.

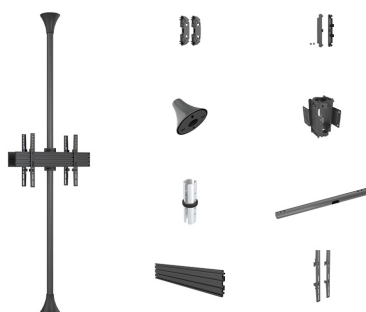

HEIGHT ADJUSTMENT FOR VIEWING FLEXIBILITY

The vertical column supports adjustable display placement, with a maximum overall structure height of approximately 3100 mm (122.0 in) to accommodate a wide range of ceiling heights and sightline requirements.

Full Specs

Mount Type	Floor to ceiling
Display Configuration	Back to back (dual sided)
Supported Screen Size	32"– 75"
Max Load Capacity	77 lb (35 kg) per screen
VESA Compatibility	100×100 to 400×400 mm
Maximum Height	~3100 mm (122.0 in)
Viewing Direction	Two opposing directions
Construction Material	Steel
Installation Type	Floor to ceiling
Indoor / Outdoor	Indoor only
Regulatory Compliance	RoHS, REACH, TSCA 6(h), Prop 65, EU POP
Gross Weight	33.5 lb (15.2 kg)
Country of Origin	China
