

Monoprice™

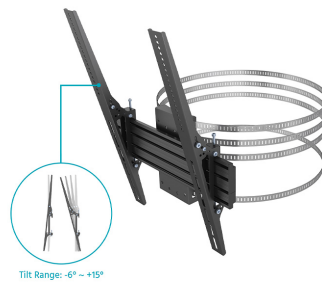

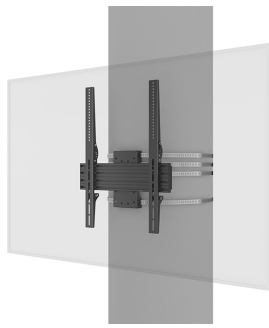

Commercial Series Column Mount for Large Screen Landscape Displays, Fits 55" – 86" TVs

The Monoprice Commercial Series Column Mount is designed for mounting a single large, landscape oriented display directly to a structural column or pillar. It supports 55" to 86" TVs, provides adjustable tilt for viewing optimization, and offers a clean alternative to wall or floor based mounting in open commercial spaces. This mount is well suited for lobbies, concourses, retail floors, and venues where floor space must remain clear and displays need prominent placement.

COLUMN MOUNTED DESIGN FOR SPACE EFFICIENT INSTALLATIONS

The mount is engineered for direct attachment to structural columns, allowing displays to be installed in locations where walls are unavailable or floor mounts would obstruct traffic. This approach preserves open floor areas while keeping screens at eye catching positions.

SUPPORTS EXTRA LARGE LANDSCAPE DISPLAYS

Supports 55" to 86" displays with a maximum load capacity of 155 lb (70 kg) per screen, making it suitable for large format signage, wayfinding, and advertising displays.

ADJUSTABLE TILT FOR VIEWING OPTIMIZATION

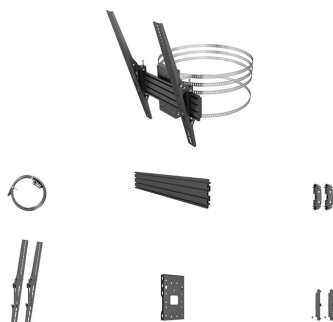

The mounting interface supports fixed tilt positions up to 15°, allowing installers to optimize viewing angles based on mounting height and audience position.

BROAD VESA COMPATIBILITY

Supports VESA mounting patterns from 100×100 to 400×600 mm, covering the majority of large commercial flat panel displays.

Full Specs

Mount Type	Column mount
Display Configuration	Single display
Display Orientation	Landscape
Supported Screen Size	55"– 86"
Max Load Capacity	155 lb (70 kg)
Tilt Adjustment	Up to 15°
VESA Compatibility	100×100 – 400×600 mm
Mounting Location	Structural column
Construction Material	Steel
Installation Type	Column mount
Indoor / Outdoor	Indoor only
Regulatory Compliance	RoHS, REACH, TSCA 6(h), Prop 65, EU POP
Gross Weight	11 lb (5 kg)
Country of Origin	China

PACKAGE CONTENTS

- Column mount bracket assembly
- Display mounting interface
- Assorted M5, M6, and M8 fasteners
- Installation hardware pack
- Printed user manual
