

 MONOPRICE™

Monoprice™

Commercial Series Column Mount for Dual Large Screen Landscape Displays, Fits 55" – 86" TVs

The Monoprice Commercial Series Column Mount for Dual Large Screen Displays is designed to mount two large, landscape oriented TVs on a single structural column. It supports 55" to 86" displays, provides adjustable tilt for viewing optimization, and enables high impact dual screen signage without consuming wall or floor space. This mount is suited to concourses, retail floors, and venues where two displays must share one column while remaining cleanly integrated into the architecture.

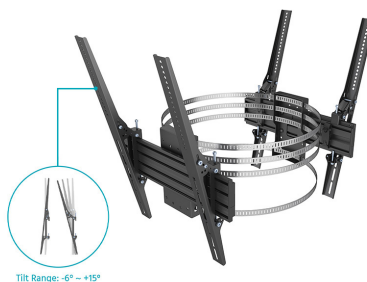

DUAL DISPLAY COLUMN MOUNTED DESIGN

The mount supports two landscape oriented displays on a single column, allowing installers to maximize screen real estate while minimizing structural attachments. This configuration is ideal for mirrored signage, side by side content zones, or paired displays in open commercial spaces.

DESIGNED FOR EXTRA LARGE COMMERCIAL DISPLAYS

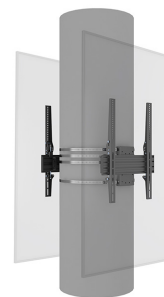

Supports 55" to 86" TVs with a maximum load capacity of 88 lb (40 kg) per screen, ensuring stable support for large format commercial displays.

Tilt Range: -6° ~ +15°

ADJUSTABLE TILT FOR VIEWING OPTIMIZATION

The mounting interface provides fixed tilt positions up to 15°, enabling installers to optimize viewing angles based on column height and audience position.

BROAD VESA COMPATIBILITY

Supports VESA patterns from 100×100 to 400×600 mm, covering the majority of large commercial flat panel displays.

Full Specs

Mount Type	Column mount
Display Configuration	Dual displays
Display Orientation	Landscape
Supported Screen Size	55"– 86"
Max Load Capacity	88 lb (40 kg) per screen
Tilt Adjustment	Up to 15°
VESA Compatibility	100×100 – 400×600 mm
Mounting Location	Structural column
Construction Material	Steel
Installation Type	Column mount
Indoor / Outdoor	Indoor only
Regulatory Compliance	RoHS, REACH, TSCA 6(h), Prop 65, EU POP
Gross Weight	20.5 lb (9.3 kg)
Country of Origin	China

PACKAGE CONTENTS

- Column mount bracket assembly (dual display configuration)
- Two display mounting interfaces
- Assorted M5, M6, and M8 fasteners
- Hardware Installation Pack
- Printed user manual
