

Monoprice™

Monoprice Commercial Series Column Mount for Landscape Displays, Fits 32"– 65" TVs

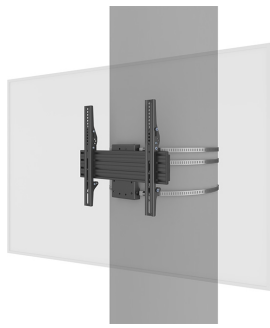

The Monoprice Commercial Series Column Mount for Landscape Displays provides a professional, column mounted solution for installing a single large display in landscape orientation. Designed for indoor commercial environments, it supports flat panel displays from 32" to 65" and is ideal for retail signage, corporate messaging, and information displays where wall mounting is not feasible or desirable.

This mount is commonly used in open interior spaces such as retail floors, transportation hubs, and large lobbies where a clean, structural mounting point is required without adding floor stands or wall brackets.

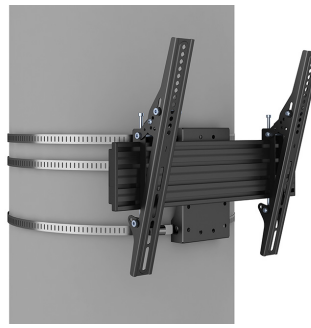

COLUMN MOUNTED INSTALLATION

The mount attaches directly to a structural column, providing a secure and visually clean mounting option for landscape oriented displays in open spaces. This approach is well suited for environments where walls are unavailable, glass walled, or architecturally unsuitable for mounting.

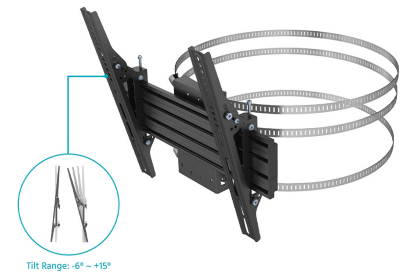

SUPPORTS 32" – 65" LANDSCAPE DISPLAYS

Designed for flat panel displays ranging from 32 inches to 65 inches, installed in landscape orientation and using standard VESA compatible mounting interfaces.

SINGLE DISPLAY CONFIGURATION

This model is designed to support one display mounted in landscape orientation, making it suitable for directional messaging or content intended for a primary viewing zone.

MECHANICAL TILT CAPABILITY

The signed product drawing confirms mechanical tilt adjustment, allowing installers to precisely set the display viewing angle during installation and final alignment.

Full Specs

Product Type	Column mount
Display Configuration	Single display
Supported Display Size	32"– 65"
Display Orientation	Landscape
Maximum Load Capacity	77 lb (35 kg)
VESA Compatibility	100 × 100 to 400 × 400 mm
Mounting Location	Structural column
Installation Environment	Indoor use only
Installation Requirement	Professional installation recommended
Inspection Interval	Minimum every 3 months
Tilt Capability	Yes (mechanical tilt supported)
Compliance	RoHS
Country of Origin	China

PACKAGE CONTENTS

- Column mount structure
- Display mounting brackets
- Column attachment hardware
- Installation manual
