

Monoprice™

Commercial Series Column Mount for Dual Landscape Displays, Fits 32"–65" TVs

The Monoprice Commercial Series Column Mount for Dual Landscape Displays is designed to mount two flat panel displays back-to-back on a single structural column, providing visibility in two directions without increasing floor footprint. Optimized for indoor commercial environments, it supports landscape-oriented displays from 32" to 65" and is ideal for open spaces where wall mounting is not practical.

Common applications include retail floors, transportation hubs, corporate lobbies, and other high-traffic interior locations requiring professional, space efficient digital signage.

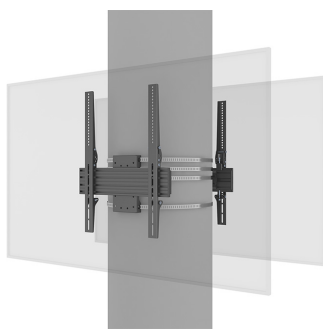

DUAL BACK-TO-BACK DISPLAY CONFIGURATION

Supports two displays installed back-to-back in landscape orientation, allowing content to be viewed from opposite directions. This maximizes signage visibility while maintaining a compact footprint around the column.

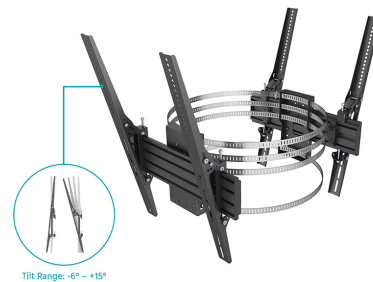

COLUMN MOUNTED INSTALLATION

The mounting system attaches directly to a structural column, offering a secure alternative to wall-mounted signage in open interior spaces. Professional installation is strongly recommended to ensure proper load support and alignment.

SUPPORTS 32"–65" LANDSCAPE DISPLAYS

Designed for flat panel displays ranging from 32 inches to 65 inches, installed in landscape orientation and using standard VESA compatible mounting patterns.

MECHANICAL TILT CAPABILITY

The signed product drawing confirms mechanical tilt adjustment for fine-tuning display viewing angles during installation and alignment.

Full Specs

Product Type	Column mount
Display Configuration	Dual displays, back-to-back
Supported Display Size	32"–65" (each display)
Display Orientation	Landscape
Maximum Load Capacity	66 lb (30 kg) per screen
VESA Compatibility	100 × 100 to 400 × 400 mm
Mounting Location	Structural column
Installation Environment	Indoor use only
Installation Requirement	Professional installation recommended
Inspection Interval	Minimum every 3 months
Tilt Capability	Yes (mechanical tilt supported)
Compliance	RoHS
Country of Origin	China

PACKAGE CONTENTS

- Column mount structure
- Dual display mounting brackets
- Column attachment hardware
- Installation manual
