

Monoprice™

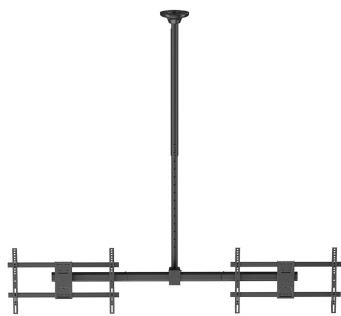

Commercial Series Heavy Duty Long Pole Ceiling Mount for Side by Side Landscape Displays, Fits 34" – 60" TVs

The Monoprice Commercial Series Heavy Duty Long Pole Ceiling Mount is designed to suspend two landscape displays side by side from a single ceiling drop. It supports 34" to 60" TVs, making it ideal for menu boards, dashboards, and information displays where a wide viewing canvas is required in commercial indoor environments.

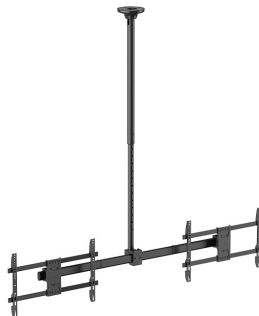

SIDE BY SIDE DUAL DISPLAY LAYOUT

The horizontal dual interface design supports two landscape displays mounted side by side on a shared ceiling pole, enabling expanded content layouts such as digital menus, scoreboards, or data dashboards from a single mounting point.

OPTIMIZED FOR MEDIUM SIZE COMMERCIAL DISPLAYS

Each display supports up to 88 lb (40 kg), suitable for most 34"–60" commercial flat or curved panels. Load ratings are defined in the approved specification and user manual.

BROAD VESA COMPATIBILITY

Compatible with VESA® mounting patterns from 200×200 to 600×400, ensuring support for a wide range of professional and consumer displays commonly used in signage installations.

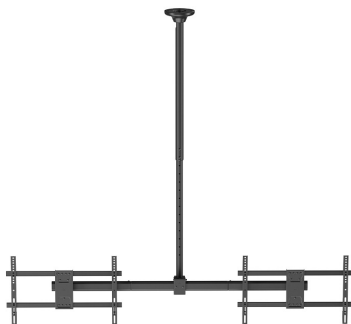

LONG POLE DROP FOR CEILING MOUNTED SIGNAGE

The telescoping pole assembly provides an adjustable ceiling to display drop range of approximately 50.4" to 74.0" (1280–1880 mm ±15 mm), accommodating varied ceiling heights in retail and hospitality spaces.

Full Specs

Product Number	49348
Display Configuration	Side by side dual displays
Supported Screen Size	34" – 60" (each display)
Maximum Load Capacity	88 lb ×2 (40 kg ×2)
VESA Compatibility	200×200 to 600×400
Vertical Drop Range	50.4" – 74.0" (1280–1880 mm ±15 mm)
Tilt Range	–25° to 0°
Level Adjustment	±3°
Swivel Range	±180°
Rotation	±180°
Intended Use	Indoor, commercial
Net Weight	~28.2 lb (12.8 kg)
Construction Material	Steel

PACKAGE CONTENTS

- Ceiling mounting plate
- Telescoping steel pole assembly
- Side by side dual display mounting rails and brackets
- Complete mounting hardware kit
- Installation manual
