

Monoprice™

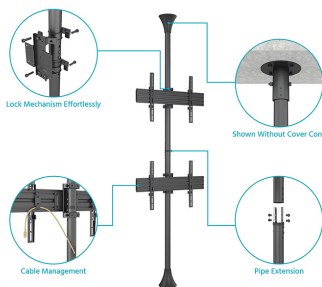

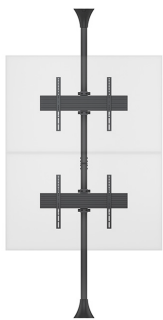

Commercial Floor to Ceiling Mount for Over Under Landscape Displays Fits 32" to 65" TVs

Deliver clean, professional digital signage with this Commercial Series floor to ceiling mount, engineered to support two landscape oriented displays in an over under configuration. Designed for permanent indoor commercial installations, it combines rigid structural support, installer friendly adjustment, and a minimal, architectural appearance—ideal for menu boards, retail signage, and corporate displays.

PURPOSE BUILT FOR COMMERCIAL USE

Designed specifically for restaurants, retail environments, offices, and public spaces, this mount supports continuous operation in high visibility locations.

OVER UNDER LANDSCAPE DISPLAY LAYOUT

Supports two flat panel TVs mounted vertically (stacked) in landscape orientation—maximizing content density without increasing wall width.

FLOOR TO CEILING STABILITY

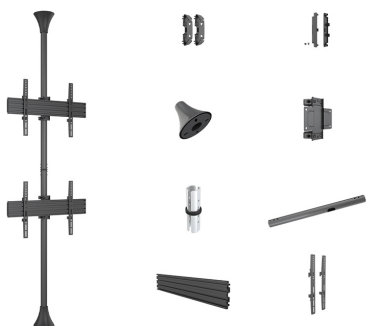

A tension mounted vertical column secures firmly between the floor and ceiling, providing excellent rigidity without wall reinforcement, ideal for glass or open concept interiors.

PROFESSIONAL FINISH

Integrated cable routing and concealed hardware help deliver a clean, polished installation suitable for customer facing environments.
