

Monoprice™

Commercial Series Compact Free Standing Floor Mount for Landscape or Portrait Displays, Fits 23" to 55" TVs

The Monoprice Commercial Series Compact Free Standing Floor Mount is a stationary, space efficient solution for professional display installations. Designed to support 23" to 55" flat or curved TVs up to 77 lb (35 kg), it allows both landscape and portrait orientations, making it well suited for retail, corporate, and public facing environments where a clean, permanent floor installation is required.

COMPACT FREE STANDING DESIGN

This mount provides stable floor based display support without wall or ceiling attachment.

The fixed, free standing steel frame is designed for permanent placement in professional environments, offering a clean footprint for lobbies, retail spaces, and conference rooms.

DUAL ORIENTATION SUPPORT

The mount supports both landscape and portrait display orientations. This flexibility allows installers to choose the orientation that best fits the content, whether horizontal presentations or vertical digital signage.

DISPLAY SIZE AND WEIGHT COMPATIBILITY

The mount is designed for small to mid size commercial displays. It supports flat or curved TVs from 23" to 55" with a maximum load capacity of 77 lb (35 kg), providing reliable support for commonly deployed professional displays.

VESA MOUNTING STANDARD SUPPORT

The mounting interface accommodates a wide range of display mounting patterns. It supports VESA patterns from 100×100 up to 400×400, covering most displays within the supported size range.
